Moved by Councillor Haslett-Theall

d. That staff engage with the Minister of Housing, Infrastructure and Communities as soon as possible on the Ministry's support for inclusion of a 'gentle density strategy' in our Housing Accelerator application. Developing and prioritizing a gentle density strategy would include: identifying a criterion to assess commercial properties near residential communities suitable for conversion to mixed-use, identifying commercial properties that meet this criterion, determining the potential increase in housing supply and housing mix including rental, condos and affordable, a public consultation plan for identified locations, property owner feedback and any regulation changes that would be necessary to support implementation. Further that Town Staff report back to Council on the feedback received from the Ministry.

CARRIED Unanimously

The Mayor called for a separate vote on clauses 1a, b, c, and d, and 2 of the main motion as amended.

Moved by Mayor Burton

1. In support of the Housing Accelerator Fund Application, as advised by Minister Fraser with due regard for heritage conservation and infrastructure capacity and servicing:

REPORT

Council

Meeting Date: February 26, 2024

FROM: Finance Department

DATE: February 13, 2024

SUBJECT: 2024 Budgets for Business Improvement Areas

LOCATION: Town-wide

WARD: Town-wide

Page 1

RECOMMENDATION:

1. That the 2024 Recommended Budget for the Downtown Oakville Business Improvement Area, requiring a levy of \$1,230,450, as shown in Appendix A, be approved;
2. That the 2024 Recommended Budget for the Bronte Village Business Improvement Area, requiring a levy of \$380,364, as shown in Appendix B, be approved;
3. That the 2024 Recommended Budget for the Kerr Village Business Improvement Area, requiring a levy of \$444,198, as shown in Appendix C, be approved;
4. That the relevant Board of Management approve any subsequent revision or reallocation of funds, within these budgets. The resolution shall be provided to the Treasurer, or designate of the town, who shall determine the significance of the change and advise if it requires Council approval.
5. That the Boards of Management ensure that the procurement of supplies and services, within the approved budgets, meet the requirements of the town's Purchasing By-law.

KEY FACTS:

The following are key points for consideration with respect to this report:

- The 2024 budgets of the Downtown Oakville, Bronte Village, and Kerr Village business improvement areas (BIAs) have been approved by their respective boards.

- Under the *Municipal Act*, the adopted budgets of the BIAs must be approved by Council.
- The town is required to levy on behalf of the BIAs; the BIA levies will be included in the town's final tax levy by-law for 2024.

BACKGROUND:

Under the *Municipal Act*, Council is required each year to adopt estimates of all sums required during the year for its own purposes and those of its local boards. The 2024 budgets adopted by the boards of the Downtown Oakville, Bronte Village and Kerr Village BIAs are now being submitted for Council's approval.

COMMENT/OPTIONS:

The following attached schedules are based on the 2024 budgets for the Business Improvement Areas:

- Appendix A Downtown Oakville Business Improvement Area Budget
- Appendix B Bronte Village Business Improvement Area Budget
- Appendix C Kerr Village Business Improvement Area Budget

The 2024 budgets have been adopted by the BIA Boards. The Downtown Oakville BIA approved their budget by their Board of Directors on October 11, 2023, Bronte Village BIA approved their budget by their Board of Directors January 23, 2024 and the Kerr Village BIA approved their budget by their Board of Directors January 25, 2024.

The Town of Oakville is responsible for giving final approval of the BIA budgets and, subsequently, the calculation of the BIA tax rates, which will occur in April 2024 when the final tax levy is submitted for Council approval. The BIA tax rates, as is the case for property taxes in general, are determined by both the amount of the levy requirement and the assessment subject to taxation. Under authority of the *Municipal Act*, any operating fund surplus can be transferred to a reserve fund, and a transfer from a reserve can be used to fund a deficit, with Board approval.

The 2023 actuals included in the appendices are for historical comparisons. These actuals are preliminary unaudited figures.

Appendix A – Downtown Oakville Business Improvement Area Budget

The schedule in Appendix A summarizes the Downtown Oakville BIA 2024 budget approved by their Board of Directors meeting October 11, 2023. The 2024 tax levy requirement of \$1,230,450 is a 3.00% levy increase.

Appendix B – Bronte Village Business Improvement Area Budget

The schedule in Appendix B summarizes the Bronte Village BIA 2024 budget approved by their Board of Directors meeting January 23, 2024. The total tax levy requirement of \$380,364 is a 3.00% levy increase.

Appendix C – Kerr Village Business Improvement Area Budget

The schedule in Appendix C summarizes the Kerr Village BIA 2024 budget approved by their Board of Directors meeting January 25, 2024. The total tax levy requirement of \$444,198 is a 3.00% increase.

General Governance

September 15, 2014 the ASC committee received and approved a report on BIA Best Practices. This report provided the BIAs with a standard constitution, a memorandum of understanding, and financial control guidelines. The documents clarified the responsibilities of the BIAs and established governing regulations with respect to membership, elections, vacancies and financial matters. As well it addressed the role of the board, officers and BIA staff.

The constitution also addressed the *Municipal Act* requirement that the BIAs adopt policies with regard to the sale and disposition of land, hiring, and procurement by defaulting to the Town's policies as the guiding documents for the BIAs. All three BIAs have adopted these documents.

CONSIDERATIONS:

(A) PUBLIC

Property tax notices for all taxable commercial properties in the Business Improvement Areas will include the BIA levy. Members of the BIA areas have had opportunity to discuss the budget with their Boards of Management and membership.

(B) FINANCIAL

The BIA Boards of Management provide for the promotion of the areas as business or shopping areas and for improvement, beautification, and maintenance beyond that provided at the expense of the municipality at large.

(C) IMPACT ON OTHER DEPARTMENTS & USERS

NA

(D) COUNCIL STRATEGIC PRIORITIES

This report addresses the corporate strategic goal(s) to:

- Enhance our economic environment
- Be fiscally sustainable

(E) CLIMATE CHANGE/ACTION

Levy of 3.0% for 2024 from \$1,194,612 to 1,230,450 (+\$35,838)
 A \$30,000 write down is included as a placeholder based on the 2023 Estimated Loss provided by the Town
 We have applied to TD Summer series 2024 (\$30,000) as Event Revenue

2. Expenses

Admin- Higher investments represents addition of an Account Coordinator to help to support BIA Marketing and Member services
 Beautification- increase is due to higher cost and demand on streetscape maintenance and waste management costs due to increased traffic throughout the downtown core
 Event revenue- represents TD summer music series, and Other revenue is from other sponsorships around beautification and activations

3. Reserves

Balance of reserves is estimated at the beginning of 2024 to be approx. \$340,000 based on forecasts

REPORT

Council

Meeting Date: February 26, 2024

FROM: Clerk's Department

DATE: February 13, 2024

SUBJECT: Corporate Policy Update

WARD: Town-wide

Page 1

RECOMMENDATION:

1. That the Occupational Health, Safety and Workplace Violence Policy and related updated Workplace Violence Procedure be approved.
2. That the new Enforcement of Boulevard Parking in Residential Areas Procedure be received.

KEY FACTS:

The following are key points for consideration with respect to this report:

- The corporate policy and procedure review is an ongoing process facilitated by the Clerk's department to assist departments in bringing policies forward for Council review as part of Council's governance initiatives.
- All policies and procedures listed in this report have been reviewed by the Policy Review Administration Group.
- Unless otherwise noted, updated policies and procedures included in the appendices of this report have tracked changes to easily identify updates.

BACKGROUND:

As part of the ongoing policy and procedure review, staff continue to present reports to introduce new policies, update and reconfirm current policies, and recommend the replacement or rescinding of former policies. Current policies and procedures are reviewed in accordance with established review periods and updates are provided to Council, as required. All policies are submitted to Council for approval. Except for those procedures relating specifically to Council and requiring its approval, procedures are submitted for receipt to enable revisions to be implemented as required, to address program changes or administrative requirements.

This report addresses the policies and procedures which have been addressed by the Policy Review Administration Group since the last report to Council in December 2023. All departments are continuing to address policy requirements. Future policy reports will be coordinated through the Clerk's department or submitted departmentally, as required.

Human Resources

Manage

In accordance with the *Occupational Health and Safety Act* an annual review is required by Council of the Occupational Health, Safety and Workplace Violence Policy (HR-MNG-005) and related Workplace Violence Procedure (HR-MNG-005-002). Staff have reviewed this policy and procedure, and no significant updates have been made. Some minor amendments to wording and a few more definitions have been added to the Workplace Violence Procedure for clarity. Staff note that the companion Respectful Conduct Policy and Procedure linked to the overarching Occupational Health, Safety and Workplace Violence Policy is slated for review in 2024 as part of the multi-year IDEA plan and will return to Council to advise of any changes.

Municipal Services

Regulatory

Enforcement of Boulevard Parking in Residential Areas Procedure (MS-REG-001-007) has been established to identify how Municipal Enforcement staff will enforce boulevard parking within residential areas in the Town of Oakville.

CONSIDERATIONS:

(A) PUBLIC

Corporate policies and related procedures are posted to the town website for public information. Public notification is issued prior to Council's consideration of policies and procedures having a direct impact on the public.

(B) FINANCIAL

There are no financial considerations with respect to the consideration of policies and procedures. The administration of procedures which relate to financial matters, grants and financial incentives will be subject to annual budget approval.

(C) IMPACT ON OTHER DEPARTMENTS & USERS

Corporate policies and procedures impact all members of Council and staff. Departments are continuing to review existing policies within their departments to ensure, where applicable, that a corporate view is presented in all new or revised policies and procedures.

(D) COUNCIL STRATEGIC PRIORITIES

This report addresses the corporate strategic priority of accountable government. The established corporate policy process promotes accountable governance and service excellence, by promoting consistency, minimizing inefficiencies, and ensuring proper controls and compliance.

(E) CLIMATE CHANGE/ACTION

This matter does not impact climate change.

Policy statement

The Corporation of the Town of Oakville (town), in the performance of its services, is responsible for promoting health and safety for the protection of its workers and the public alike. Unsafe practices will not be tolerated. The Town will follow the guidelines and directives of the federal, provincial and regional government authorities, including the branches of public health.

Every worker, contract worker and sub-contractor, including every person accessing town property for services, must protect one's own health and safety by complying with the law and with the safe work practices and procedures established and required by the town.

All levels of supervisors will be held accountable for the health and safety of workers under their supervision.

The town provides a safe and healthy workplace by supporting a formal program of education and training, including those required by federal, provincial and regional government authorities (including the branches of public health); by preventing accidents, workplace harassment and violence, including domestic violence in the workplace; and by reducing injuries and occupational illness through accident investigations, follow-up action and the recommendations of the Health and Safety Committees.

Purpose

The purpose of this policy is to ensure that all town workplaces and facilities are in compliance with the *Occupational Health and Safety Act* and regulations and that every reasonable precaution is taken to provide for a healthy and safe work environment. The implementation of this policy, through the establishment of occupational health and safety programs based on shared responsibility of management and employees, will promote health, safety, and prevent workplace illness and injuries, harassment and workplace violence.

Scope

This policy applies to all town employees (including but not limited to full-time, part-time, students, volunteers and interns), contractors, sub-contractors, consultants, workers and every person accessing town property for services.

Purpose statement

This procedure addresses the prevention and investigation of workplace violence, or threats of workplace violence, including domestic violence against an employee.

Scope

This procedure applies to town employees, contractors, consultants, and members of the public.

Procedure

1. The town does not tolerate, ignore, or condone any workplace harassment, violence, or threats of violence.
2. All reported threats or incidents will be considered serious and will be investigated promptly with appropriate action taken.
3. A review of the risks of workplace violence will be conducted annually or as necessary to protect workers. Identified risks will be promptly addressed and measures will be implemented to mitigate such risks.
4. Employees will be notified of identified risks and are required to follow departmental guidelines when working in situations operationally specific to their departments (i.e. working alone, handling cash, dealing with difficult customers).
5. The town will take every reasonable precaution to protect employees from domestic violence where it has been made aware, or where it ought reasonably to have known, an employee is at risk.
6. Frivolous or vexatious complaints will be dealt with seriously and subject to disciplinary action up to and including termination of employment.

Workplace harassment

All incidents of workplace harassment will be reported, investigated, and resolved through the town's Respectful Conduct Policy.

Possibility of domestic violence in the workplace

1. Any employee who is experiencing domestic violence that exposes themselves or others to physical injury in the workplace or is experiencing domestic violence in the workplace, or believes that domestic violence in the workplace is likely to occur, should seek immediate assistance from their supervisor and/or Human Resources.
2. A safety plan will be developed by the employee, their supervisor and Human Resources.

Reporting incidents of violence

1. Incidents of violence must be reported immediately to the employees' supervisor and/or the police for immediate assistance.
2. If, at any time, an employee feels personally threatened, they are to call the police immediately. Employees are not to place themselves at risk or jeopardize anyone's safety when dealing with any perceived or real situation of violence.
3. All workplace threats of violence or acts of violence, including those by members of the public against town employees, will be addressed under this procedure.
4. If a workplace violence incident results in a worker being disabled, injured, or requiring medical attention, the appropriate joint health and safety committee and the appropriate union must be notified within four days of the incident.
5. If a workplace violence incident results in a person being critically injured or killed, Health, Safety and Wellness Consultant, the Ministry of Labour, the appropriate joint health and safety committee and the appropriate union must be notified immediately, and the Ministry of Labour notified in writing within 48 hours.
6. Incidents must be filed as soon as practicably possible after the incident occurred using the *Respectful Conduct Reporting Form* detailing the nature of the incident, dates, times, places, witnesses, and names of those involved. A supervisor, employee or witness may complete the report.
7. All reports of violence must be forwarded immediately to Human Resources in order to commence an impartial investigation appropriate to the circumstances of the incident.
8. There will be no negative consequences for reports made in good faith.

Investigating incidents of violence

1. All formal complaints must be forwarded to the Director of Human Resources (or designate) who will determine if the complaint falls under the Workplace Violence Procedure and determine what investigation is appropriate in the circumstances.
2. The investigation will be conducted either internally by a town employee or by an external investigator at the discretion of the Director of Human Resources (or designate). Incidents of workplace violence by members of the public against an employee will be investigated and resolved in accordance with this procedure.

3. The *Respectful Conduct Reporting Form* will be kept confidential to the extent possible. Information about the allegation or the investigation itself will only be released to the extent necessary to investigate and respond to the incident, or as required by law.
4. Once the investigation is complete, the investigation outcomes will be reported to the Complainant and Respondent in writing.
5. The *Respectful Conduct Reporting Form* will be on file in the Human Resources department for a minimum of seven years.

General provisions

Criminal and Sexual Harassment - Criminal and Sexual harassment such as stalking, threats, and sexual or physical assault are covered by the Criminal Code and the *Occupational Health and Safety Act*. Supervisors and employees are encouraged to report any criminal behaviour to the Police and Human Resources.

Reprisals - No employee will be subject to reprisals for filing a complaint or participating in an investigation under this procedure. Anyone experiencing reprisals should report it immediately to their supervisor or Human Resources.

Any discipline imposed as a result of a frivolous or vexatious complaint is not a reprisal.

Enforcement of Boulevard Parking in Residential Areas

Procedure number: MS-REG-001-007
Parent policy number: MS-REG-001
Section: Municipal services
Sub-section: Regulatory services
Author(s): Municipal Enforcement Services
Authority: CAO
Effective date: 2024-01-29
Review by date: *5 years from Council/CAO approval*

Purpose statement

This procedure sets out how boulevard parking will be enforced within the Town of Oakville.

Scope

This procedure applies to boulevard parking in residential areas within the Town of Oakville.

Procedure

Figure 1 illustrates the location of the boulevard portion of the driveway apron:

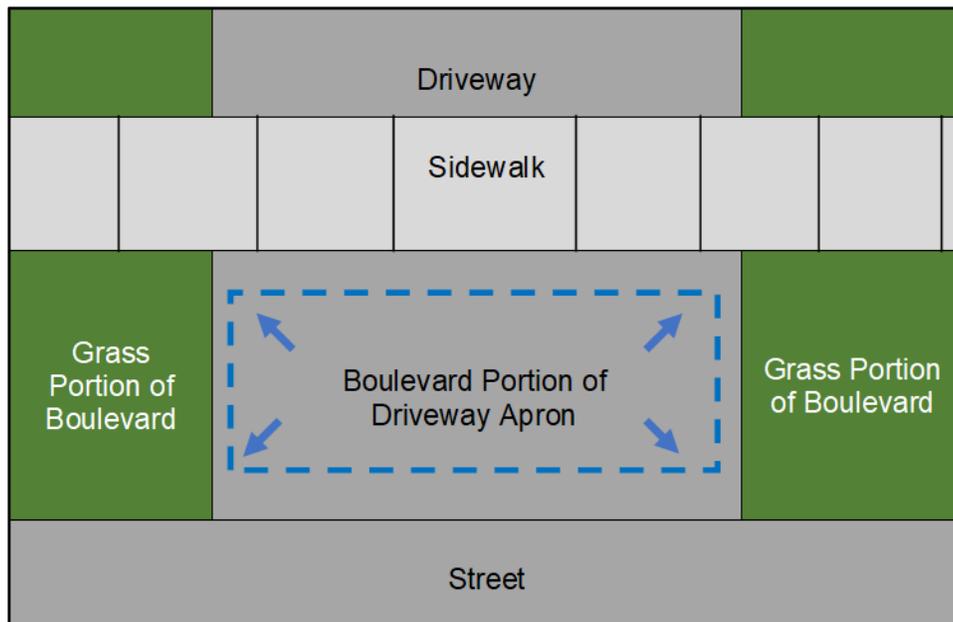

Figure 1

Enforcement of Boulevard Parking:

1. Boulevard parking is an unsigned prohibition throughout Oakville (signs prohibiting boulevard parking are not required to be posted). Section 2 of this procedure sets out situations where boulevard parking will be enforced. However, subject to Section 2, boulevard parking will generally be permitted in residential areas where parked vehicles are fully contained on the boulevard portion of the driveway apron (all tires fully on the driveway apron). Vehicles may be parked on the driveway apron as shown in Figure 2 and Figure 3 below.

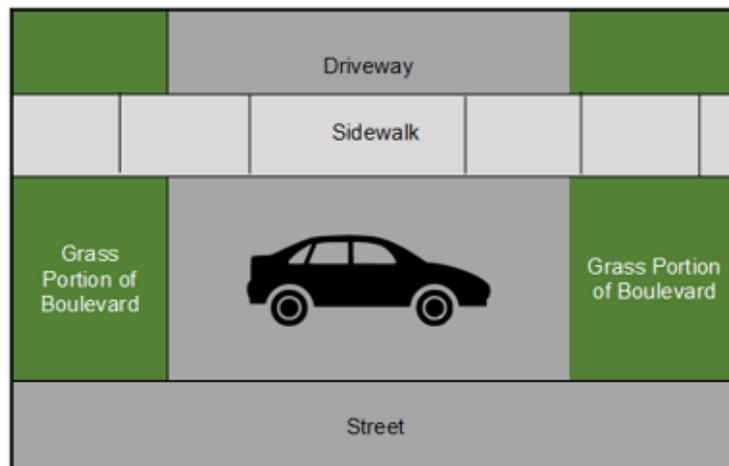

Figure 2

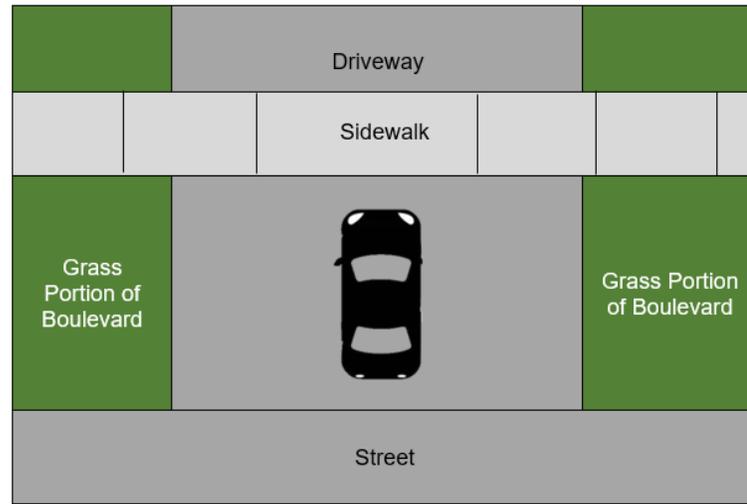

Figure 3

2. Enforcement staff will enforce boulevard parking infractions where a vehicle is parked on a driveway apron so that it:

- subject to review by the Transportation and Engineering Department, causes a visibility or safety issue for vehicles traveling at an intersection (generally only the vehicles parked in the driveway apron immediately adjacent to the intersection could potentially affect sightlines at the intersection);
- obstructs sightlines for drivers pulling in or out of a garage;
- encroaches onto or overhangs the road;
- obstructs services such as snow clearing, snow removal or garbage/recycling collection; or
- encroaches onto or overhangs the sidewalk and/or encumbers the mobility of persons using the sidewalk.

Boulevard parking infractions will also be enforced where a vehicle:

- is parked on the grass portion of the boulevard as shown in Figure 1;
- is parked outside the bounds of the driveway apron curb cuts (if the boulevard has been modified/alterd);
- where the driveway apron is shared by adjoining property owners;
- is parked on a hydro vault located on a boulevard;
- is parked on a boulevard behind a garage in areas where there are rear public lanes;
- is a commercial vehicle;
- is inoperable;
- is advertised for sale;
- does not have a valid licence plate; or
- is parked within 3 metres of a fire hydrant.

Penalty notices issued for contravention of boulevard parking regulations in the Traffic By-law and the corresponding penalties, shall be in accordance with Parking Administrative Penalties By-law and Administrative Penalties Procedure.

Memo

To: Members of Council
From: Rebekah Diec Stormes
Date: January 30, 2024
Subject: Seasonal Commercial Patio Program

Comments

This memo serves to report back to Council on the Seasonal Commercial Patio Program, following the report and presentation provided at the September 6th, 2023 Budget Committee meeting. Following the budget committee meeting, staff continued to work with engineering firm CIMA+ to determine any additional safety equipment required for on-street patios and consulted with the Executive Directors of the Business Improvement Areas regarding the proposed program. All three BIAs are supportive of the program and believe that it has benefitted and will continue to benefit the merchants. There was some concern expressed regarding the implementation of fees and the cost increase to participants who have had fees waived for the past 3 years, while also recognizing that there are costs associated with delivering the program. Staff will continue to work directly with the BIAs to implement the program and share communications.

The costs associated with the associated program were approved through the 2024 budget process. Council approved fees at a 70% subsidized rate in order to keep the program financially viable while at the same time allowing the town to recoup some costs associated with administering the program and staying in compliance with the town's User Fee policy.

The Seasonal Commercial Patio Program is now a permanent program and a new level of service in 2024. This program applies only to patios located on municipal property within the streetscape.

Administration

The Economic Development department will take on the administration of the Seasonal Commercial Patio Program starting in 2024. Economic Development will coordinate with all internal departments to deliver the program. The department will also begin the work

Town of Oakville | 1225 Trafalgar Road, Oakville L6H 0H3 | 905-845-6601 | oakville.ca

to develop an online portal for the patio program, scheduled for implementation in the 2025 season.

Timing

The Seasonal Commercial Patio Program will run annually from May 1 to November 1. There will be full removal of all patio installations on municipal rights of way between November and April.

Patio Permits

Participants are required to obtain an annual permit from the Town. User fees, including permit fees and parking space rentals, will be implemented in 2024. Through the 2024 budget process, Council approved partially subsidized user fees to help keep the program financially viable for participants while at the same time allowing the town to recoup some costs associated with administering the program.

Applicants will be required to have a minimum \$2 million liability insurance coverage naming the Town as additional insured. Fees and insurance requirements will continue to be monitored and may be adjusted as necessary in the future. Patio permit fees can be found in the [2024 Rates and Fees Schedule](#) and range from \$54 for an outdoor display to \$414 for a patio with an enclosure on the sidewalk/boulevard or an extended patio with enclosure in a parking space. Rental fees for parking spaces are not shown in the 2024 Rates and Fees Schedule; however, parking spaces will have a user fee of \$562 per space for the entire season.

New to the 2024 program will be an earlier permit application period for on-street patios, from Feb 26th – March 22nd. This advanced application period will allow for comprehensive planning and coordination in assigning the on-street parking spaces, particularly in the Business Improvement Areas where there is higher demand for the use of on-street parking spaces. Interested participants will still be able to apply for on-street patios after this initial application period, however, their desired location/layout may not be available. Patio applications for all other types of patios (boulevard, bistro, etc.) will open March 22nd and can be submitted throughout the duration of the patio season. Communications about the program will be released in early February to the public and will be provided to the BIAs in advance of the public communications.

Patio Placement

Formalizing guidance and rules for the placement of patios has been a focus of the development of the permanent Seasonal Commercial Patio Program. All patio placements will be reviewed and determined by Transportation and Engineering staff

Town of Oakville | 1225 Trafalgar Road, Oakville L6H 0H3 | 905-845-6601 | oakville.ca

with a focus on ensuring accessible and safe patio installations. Table 1 provides an overview of key requirements for the program.

Table 1: Patio Placement Guidelines

	Requirements	Additional Information
Patio Placement	Patio to align with frontage of restaurant /café	For on-street patios: minimum of 1 and maximum of 2 parking spaces per restaurant and tied to premises frontage length
Encroachments	No encroachment into pedestrian clearway	This includes patio enclosures, décor, furniture, umbrellas, signage, etc.
Street Furnishings	No removal, blockage or relocation of street furnishings	This includes bike racks, benches, pay and display machines, etc.
On-street parking space use	Maximum of 2 parking spaces per restaurant where space permits	User fee applied Cannot use EV charging, accessible, or loading spaces
Platforms	Required for all on-street patios	Participants to provide and maintain at own cost
Safety equipment	May be required in certain instances	This includes signage, centre line treatments, etc. Town to purchase and deploy

A new user guide will be launched on the patio webpage, providing more detailed information to program participants.

Safety Equipment

In 2023, program participants with patios in on-street parking spaces were required to install planter-box barriers on the exterior corners of the patio to increase safety for patrons. The town rented and deployed the barriers at no cost to program participants.

Staff engaged engineering firm CIMA+ to undertake a review of the installation of on-street patios and associated safety barriers specific to the Oakville context and to provide staff with a set of guidelines to be applied when considering patios located in on-street parking spaces. These guidelines are meant to assist staff in determining the

Town of Oakville | 1225 Trafalgar Road, Oakville L6H 0H3 | 905-845-6601 | oakville.ca

required level of roadside protection for a patio, based on an assessment of context which includes road classification, operational speeds of the road and the location within the parking bay. Based on their guidelines and review of operational speeds in each of the three BIAs, it was determined that roadside protection (e.g. barrier systems) are not currently required; however, the following traffic calming/safety measures will be applied for the 2024 season:

1. New edge line treatment to create 3.5 metre wide lane for street blocks that have an on-street patio. Based on 2023 applications, staff anticipate adding the edge line to the locations listed below. Should any additional applications come forward, those locations will be added.
 - a. Both sides of Lakeshore Road for all seven blocks in Downtown Oakville
 - b. One block on Bronte Road - Ontario Street to Marine Drive, and
 - c. Three blocks of Kerr Street, from Herald Avenue to Westside Drive; from Westside Drive to Deane Avenue and from Rebecca Street to John Street.
2. New road signs to inform motorists of upcoming patios will be deployed to each block with an on-street patio.
3. Vertical centreline treatment (in-street flexible signs) may be used within the blocks of Kerr Street, north of Rebecca Street, should patio applications be received in this area.
4. Planter-box barriers will continue to be used in 2024.

Operating speeds will continue to be monitored annually to determine if any additional safety measures are required in the future.

In the Budget Committee report, [Seasonal Commercial Patio Program](#), dated August 29, 2023, it was noted that for the permanent Seasonal Commercial Patio Program, the town would purchase the required safety equipment and charge rental fees to program participants. Based on the guidelines from the CIMA+ report, staff will not be charging rental fees as the full barrier systems will not be required in any of the on-street parking locations, but appropriate traffic calming measures (e.g. edge line painting, signage, centre line treatments, etc.) will be purchased and deployed. Following the 2024 program, staff will assess whether any changes need to be made to the user fees for 2025 to ensure the fees capture the cost of delivering the program and are in compliance with the principles of the town's User Fee policy.

Church Street Parking Garage Closure

Staff have assessed the impact of the upcoming Church Street Parking Garage closure and have determined that the closure will not impact the patio program in Downtown Oakville, based on the number of on-street parking spaces used in the 2023 season.

Town of Oakville | 1225 Trafalgar Road, Oakville L6H 0H3 | 905-845-6601 | oakville.ca

Should there be a significant increase in the demand for using on-street parking spaces, this situation will be reassessed. The earlier application period for on-street patios will allow staff to identify issues early.

Summary – What's new for 2024?

Patios continue to be popular and offer multiple benefits to businesses, residents, and visitors. Program participants will see the following changes for the 2024 patio season:

- Dedicated resource in the Economic Development department
- Earlier application period for on-street patios and comprehensive planning of street blocks;
- New temporary traffic calming measures including signage and centre-line treatments, where needed;
- Formalized patio placement guidelines; and
- Implementation of user fees, including permit fees and parking space rentals, at a subsidized rate.

THE CORPORATION OF THE TOWN OF OAKVILLE

BY-LAW NUMBER 2024-001

A by-law to establish retention periods for records of the Town of Oakville and to repeal By-law 2021-130.

WHEREAS subsection 254(1) of the *Municipal Act, 2001*, S.O. 2001, c.25, as amended, ("*Municipal Act*") provides that a municipality shall retain and preserve its records in a secure and accessible manner;

WHEREAS subsection Section 255(3) of the *Municipal Act* provides that a municipality may establish retention periods during which its records must be retained and preserved;

WHEREAS subsection 255(2) of the *Municipal Act* provides that a municipality's records may be destroyed if a retention period for the record has been established and the retention has expired; and

WHEREAS Council authorized staff to submit future amendments to the Records Retention By-law directly to Council for approval without the requirement of a staff report;

COUNCIL ENACTS AS FOLLOWS:

1. Definitions:

In this by-law,

(1) "**active record**" means a record that is referred to and is stored in the user's office area.

(2) "**archival record**" means a record or record series that has been appraised and is to be preserved for permanent retention because of its historical value.

(3) "**archives**" means a repository for archival records.

(4) "**authoritative record**" means the record that is considered the official town record for evidentiary purposes.

(5) "**disposition**" means the final phase of a record's life cycle meaning:

- a) destruction;
- b) permanent deletion;
- c) designation of record as permanent; or

d) designation of record as archival.

(6) "**current (C)**" refers to current year

(7) "**event trigger (E)**" refers to a specific event or action which initiates the calculation of a retention period.

(8) "**filing system**" means a systematic method of coding and storing records.

(9) "**inactive record**" means a record that is no longer active and is stored in a Records Centre.

(10) "**life cycle**" means the life span of a record from its creation or receipt throughout its active and inactive stage, to final disposition.

(11) "**Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)**" is Ontario legislation which, with some limitations, provides the public with a right of access to records held by the Town and protects the privacy of personal and sensitive information.

(12) "**official record**" means the version of a town record deemed as the authoritative record, which is not a convenience or duplicate copy, but rather the final complete version, as determined by the proper authority, and is the single source of truth.

(13) "**personal information**" means recorded information about an identifiable individual as defined by section 2 of *MFIPPA*.

(14) "**Personal Information Bank (PIB)**" refers to records that contain personal information.

(15) "**record**" has the meaning given to it by section 2 of the *Municipal Freedom of Information and Protection of Privacy Act*, and includes any record of information however recorded and applies equally to paper and electronic records unless otherwise stated.

(16) "**Records Centre**" means a storage facility used to house inactive records.

(17) "**records management**" is the process of planning, organizing, directing and controlling all the steps involved in a record's life cycle.

(18) "**record series**" means a group of specifically related records organized within a primary grouping.

(19) "**responsible department**" is a column heading in the retention table and identifies departmental responsibility.

(20) "**retention**" means the length of time a record is to be retained before its final disposition. Retention descriptions are as follows:

C = Current Year

P = Permanent (When a record is preserved and never destroyed)

S = Superseded (When a record is updated or replaced with a new version)

E = Event Trigger (Example: E+6 = Expiration of a Contract plus the next 6 calendar years)

* = Archival Records

** = Archival Selection (Records will be reviewed for Archival Value prior to disposal)

(21) "**retention schedule**" means an approved document that authorizes the length of time records are to be retained before their final disposition; Schedule A.

(22) "**retention table**" is the listing of records arranged by primary and secondary groupings, including scope notes, and the retention periods of the records.

(23) "**series code**" is the column heading in the retention table that is represented by an alpha-numeric code.

(24) "**series title and scope notes**" is the column heading in the retention table identifying record series titles and including a brief description of the record series.

(25) "**superseded (S)**" refers to a time at which a record becomes obsolete and/or is replaced with an updated version.

(26) "**scope notes**" means a brief description of the types of specifically related records normally grouped together within a secondary group.

(27) "**town record**" means a record regardless of format created or received in the course of town business or delivery of town services.

(28) "**transitory record**" means a record that has temporary usefulness and is only required for the completion of a routine action, or until superseded.

2. The following principles shall govern the destruction of records:

- (1) No records shall be destroyed unless first classified according to Schedule "A" of this by-law;
- (2) All records shall be destroyed in a manner that preserves the confidentiality of any information contained in such records; and
- (3) Any record pertaining to pending or actual litigation or investigation or a request under privacy legislation shall not be destroyed until such record is no longer required for such purpose.

3. The following by-law is repealed on the day this by-law comes into force and effect: By-law 2021-130.

4. Title:

This by-law may be known as "the Retention By-law"

PASSED this 26th day of February, 2024

Rob Burton Mayor

Vicki Tytaneck Town Clerk

Transitory Records

Records and documents with temporary usefulness and no long term value, received or stored in any format. Transitory records may facilitate the completion of insignificant transactions, or be created while preparing an official corporate record. Unless otherwise specified in the schedule, or unless required for legal or legislated purposes, these records may be destroyed when their value ceases as determined by the individual work unit.

Includes:

- a) Duplicate copies
- b) Voice recordings that are not a record of official decisions
- c) Town managed instant messaging, text and SMS applications
- d) Working papers, preliminary drafts, rough notes, similar materials that do not represent an integral part of the official business record

Email Records

Email records include email messages and attachments that are created, received or sent by the town in the course of its business are town records and must be managed in accordance with the Records Retention By-law.

Email records that document and support decisions, activities and transactions related to town business must be saved in the appropriate repository, such as SharePoint or a shared network drive outside of the email system and classified in accordance with the Records Retention schedule.

Email records that do not document and support decisions, activities and transactions related to town business are considered transitory emails. Transitory emails retained within the email system will be deleted from the system after six years.

Digitization

The Town of Oakville is digitizing select groups of physical records (the original record that was used to create the digitized record) for the purposes of:

- a) minimizing risk and exposure resulting from lost documents;
- b) improving staff efficiency finding documents;
- c) enabling greater openness and transparency of town records;
- d) applying document management principles.

Digitizing physical records requires careful analysis and confirmation that digitized versions of the records are legally acceptable representations of the physical records. Digitized versions must be:

- a) subject to a quality assurance process that includes policy and procedure;
- b) accurate and legible reproductions of the source records without alterations to the content or appearance;
- c) described with the appropriate metadata for their management and retrieval.

Digitized versions that are legally acceptable may replace the physical records and be authoritative records. The original physical records may be eligible for destruction if they meet the requirements of the Digitization Procedure.

THE CORPORATION OF THE TOWN OF OAKVILLE

BY-LAW NUMBER 2024-038

A by-law to confirm the proceedings of a meeting of Council.

COUNCIL ENACTS AS FOLLOWS:

1. Subject to Section 3 of this by-law, every decision of Council taken at the meeting at which this by-law is passed and every resolution passed at that meeting shall have the same force and effect as if each and every one of them had been the subject matter of a separate by-law duly enacted.
2. The execution and delivery of all such documents as are required to give effect to the decisions taken at the meeting at which this by-law is passed and the resolutions passed at that meeting are hereby authorized.
3. Nothing in this by-law has the effect of giving to any decision or resolution the status of a by-law where any legal prerequisite to the enactment of a specific by-law has not been satisfied.

PASSED this 26th day of February, 2024
