Instructions on how to view the meeting or participate in-person, by written submission, videoconference or telephone are provided below.

The purpose of the two proposed official plan amendments (OPAs) is to identify, and establish policies for, the Neyagawa Urban Core strategic growth area at the intersection of Neyagawa Boulevard and Burnhamthorpe Road West. The proposed OPAs include complimentary policy changes to the North Oakville East Secondary Plan to facilitate the implementation of the Neyagawa Urban Core Area.

The effect of the proposed OPA 326 to the 1984 Oakville Official Plan's North Oakville East Secondary Plan will be to:

- update schedules (maps) to identify the Neyagawa Urban Core strategic growth area and designate the lands as "Neyagawa Urban Core Area"
- provide land use policies to support the creation of a transit-supportive, complete community that includes a mix of high density residential, commercial and institutional uses with maximum building heights between 12 and 18 storeys
- provide functional and implementation policies to enable and guide redevelopment consistent with the above, which address matters including urban design, transportation, stormwater management, parkland dedication and public realm enhancements

The effect of the proposed OPA 45 to the Livable Oakville Official Plan will be to identify the Neyagawa Urban Core Area as "Nodes and Corridors" on Schedule A1 – Urban Structure, which is referenced in the North Oakville East Secondary Plan.

The subject lands are located at the intersection of Neyagawa Boulevard and Burnhamthorpe Road West.
