### RECOMMENDATION:

That the request from Heartache2Hope to conduct charitable lottery events in the Town of Oakville be approved.

### KEY FACTS:

The following are key points for consideration with respect to this report:

- All first-time applicants are required to be approved by the Council of the municipality in which the event is to be held.
- The applicant complies with all licensing requirements.

### BACKGROUND:

Under the Lieutenant Governor of Ontario's Order in Council 1413/08 as amended, all first-time applicants seeking permission to conduct lottery events are required to be approved by the Council of the municipality in which the event is to be held. Once Council has approved the original application, staff is then authorized to approve all renewals without further referral to Council.

### COMMENT/OPTIONS:

Heartache2Hope has applied for permission to conduct charitable lottery events to assist them in providing trauma and grief support services to individuals bereaved by a suicide death, by promoting healing, innovative programs and greater awareness and education in the community. Staff has checked the documentation provided by the applicant and found it to comply with the licensing requirements for the Province of Ontario and the Town of Oakville. Staff has reviewed the charity's constitution and bylaws, financial statements, mandate and has found it to be in

compliance with AGCO requirements. It is therefore recommended that Council approve this request to conduct lottery events.
