That the request from Oakville Chamber Orchestra to conduct charitable lottery events in the Town of Oakville be approved.

KEY FACTS:

The following are key points for consideration with respect to this report:

- All first-time applicants are required to be approved by the Council of the municipality in which the event is to be held.
- The applicant complies with all licensing requirements.

BACKGROUND:

Under the Lieutenant Governor of Ontario's Order in Council 1413/08 as amended, all first-time applicants seeking permission to conduct lottery events are required to be approved by the Council of the municipality in which the event is to be held. Once Council has approved the original application, staff is then authorized to approve all renewals without further referral to Council.

COMMENT/OPTIONS:

Oakville Chamber Orchestra has applied for permission to conduct charitable lottery events to assist them in providing outreach to schools and libraries to expose young people to classical music. Funds will also be used to fund their core activities including the music director, professional musicians, venue rental and program booklets. Staff has checked the documentation provided by the applicant and found it to comply with the licensing requirements for the Province of Ontario and the Town of Oakville. Staff has reviewed the charity's constitution and bylaws, financial statements, and mandate and has found it to be in compliance with AGCO
