

Town of Oakville Memorandum

To: Mayor Burton, Members of Council

From: Kristina Parker, Manager, Development Services
Transportation and Engineering Department

Date: May 2, 2022

Subject: **Staff Report Assumption of Silwell Phase 8**

The Transportation and Engineering Department (Development Services) is responsible for the coordination of assumptions of subdivisions. The agenda for Planning and Development Council Meeting of May 2, 2022 includes consent item 4.2: Assumption of Silwell Phase 8 – Portion of Taunton Road, By-Law 2022-025. Staff are withdrawing this consent item and deferring the report to a future agenda.

The report and bylaw, as written, did not adequately cover the full range of works to be assumed. Staff will review the scope of works to be addressed and bring forward a modified report to a future Council meeting.

Best regards,

Kristina
