Dear Mayor and Councillors,

As an owner in building 60 Old Mill, I am writing in support of the current proposed amendments for development of 70 Old Mill Road.

I am president of the Board of Directors of our condo corp. HCC 397.

Our board recognizes that all owners have a right to speak for themselves.

However, we are also aware that we have a responsibility to act in the best interest of all owners.

Having closely reviewed both provincial and municipal policies for development, we understand the planning department's recommendation to you and do not object to the proposal.

Sandra Montgomery, 60's board representative on the Shared Facilities working group, will delegate on our behalf on May 2nd.

Sandra has kept our board fully informed of all the meetings with the developer, Malvinder Singh, and of his understanding and cooperation for the past 16 months with the three existing buildings.

We hope the Council will approve the recommendations of the Planning Services Department.

Sincerely,

Gwen Whittall
