Mr. Stephen Crawford
74 Rebecca St,
Oakville, ON
L6K 1J2

Dear Stephen,

On behalf of Oakville Public Library (OPL), I would like to offer my sincere congratulations on your successful re-election as MPP representing Oakville. I am looking forward to continuing to work with both you and MPP Triantafilopoulos to build healthy and prosperous communities all across Oakville.

OPL is a community connector, enabling residents to access services, information and ideas that help them enrich their lives and build healthy communities. Furthermore, OPL has been an essential part of our community's COVID-19 response recovery by providing access to technology, resources to encourage innovation and resilience.

As you already know, OPL is a cornerstone of our community and I would be happy to meet with you at your convenience at any of our branches for a tour and the opportunity to meet our amazing staff and discuss in-depth the important work OPL provides to our community and vital role that the Government of Ontario fulfills in helping to keep local public libraries vibrant and sustainable.

We wish you luck for your new term and look forward to working closely with you as our representative at Queen's Park to ensure that OPL is able to meet the growing needs of Oakville residents.

Sincerely,

Tara Wong, Chief Executive Officer

Oakville Public Library
