This notice is to inform you that the request for variance made under Section 45(1) of the *Planning Act* has been **Approved** to permit the construction of a two-storey rear addition to the existing dwelling on the subject property proposing the following variance:

No.	Zoning By-law Regulation	Variance Request

No written or oral submissions from the public were received. The Committee is of the opinion that the variance is considered minor in nature, desirable for the use of the land and in keeping with the general intent of the town's official plan – Livable Oakville Plan and the zoning by-law, subject to:

- That the dwelling be built in general accordance with the submitted site plan and elevation drawings dated January 20, 2022; and
- That the approval expires (2) years from the date of the decision if a building permit has not been issued for the proposed construction, and in cases where a building permit is not required, that the proposed scope of work has not been fully completed;
