This notice is to inform you that the request for variance made under Section 45(1) of the *Planning Act* has been **Approved** to authorize a minor variance to permit the construction of a sunroom addition proposing the following variance:

No.	Zoning By-law Regulation	Variance Request

- That the sunroom (one storey addition) be built in general accordance with the submitted site plan and elevation drawings dated July 8, 2022; and
- That the approval expires two (2) years from the date of the decision if a building permit has not been issued for the proposed construction.
