Re: Deferral of Public Meeting Report for Draft Plan of Subdivision (24T-21005/1530) – Part of Lot 30,
Concession 2 (SDS), Bronte Green Corporation

Ms. Tytaneck,

The above-noted matter is listed as Item 6.2 on the current agenda for Oakville's Planning and Development Council meeting scheduled on June 27, 2022. This Item is to be the statutory public meeting in respect of our draft plan of subdivision application.

It is our understanding that staff for both the Town and Conservation Halton are still reviewing the draft plan application as submitted and will need additional time to work with Bronte Green Corporation to address technical concerns. Bronte Green Corporation is pleased to cooperate with public authority staff in this regard.

In light of the foregoing, Bronte Green Corporation requests that Item 6.2 and the public meeting concerning Bronte Green Corporation's draft plan be deferred to a future Planning and Development Council Meeting. Our request is that this Item be rescheduled for a meeting in Q4 2022 if this timing can be accommodated.

Should you have any concerns, please feel free to contact me directly.

Sincerely,
