Subject: RE File # C A V A/ 188/2022 Glenforest Cres - Cabana

Hello Heather,

In regards to file # C A V A/188/2022, we object to the extra size and height variance that is being requested. The current specs appear quite reasonable in our estimation . We had a similar structure built behind us and it was unsightly.

The rules that are currently in place benefit all, we do not believe they should be changed to benefit an individual party.

The Town of Oakville motto is “ to be the most livable town in Canada “ I believe the policy and specs that are currently in place reflect this goal. We see no need to permit this variance.

We would appreciate a Notice of Decision being sent to us.

Best Regards

Rob Elliot
