## Purpose statement

The Corporation of the Town of Oakville (Town), in its capacity as a cemetery operator, has a responsibility to provide products and services to meet new and existing legislated obligations for interment or scattering rights holders for a fee, as set out in the current tariff of rates.

## Scope

This procedure applies to all payments for cemetery products and services within the Town of Oakville Cemeteries, including: Bronte, Merton, Munn's, Oakville/St. Mary's, Palermo, St. Jude's, Trafalgar Lawn and Wedgewood.

## Procedure

The purpose of this procedure is to provide a framework for payments with respect to the provision of cemetery products and services to consumers.

### Payment Terms:

1. Payment is due within 90 days. Overdue accounts will be charged interest as prescribed in the town's annual rates and fees ~~a penalty of 1%/month.~~

2. Monthly payments are permitted (for pre-need interment or scattering right purchases only), interest free, for a period of 12 months, at which time the full amount of the account will be due. An initial payment of 10% of the total amount of the contract is required with the balance permitted to be paid monthly as below.

Post-dated monthly cheques or pre-authorized payments will be required for the 12 month time period, whether divided equally for the account amount or as much as the client can afford to a minimum of \$50/month.

3. If an account is not paid at the end of the payment term, either (1) or (2), the Director of Parks and Open Space, or designate, will make a decision for payment based on the individual account.
4. If a pre-need purchase contract is cancelled while payments are being made using payment term (2), all monies deposited (including initial payment) will be refunded to the purchaser together with any remaining post-dated cheques or cancellation of pre-authorized payments. The cancellation will be subject to an administration fee as prescribed in the town's annual rates and fees of \$200.00 plus HST.

The Town of Oakville will exhaust all efforts in an endeavor to ensure that payments are submitted as per either payment term (1) or (2), which may include utilizing collection agency services.
