

Design of Westminster Drive and Woodhaven Park Drive Improvements

Maps and Figures of the Recommendations from the Coronation Park Drainage Improvements Class EA and the Active Transportation Master Plan

Council approved the Coronation Park Drainage Improvements Class EA and the Active Transportation Master Plan in 2017.

Figure 1 illustrates the recommendations of the Coronation Park EA, which include works on both Westminster Drive and Woodhaven Park Drive (Willowdown Road and Hixon Street):

Figure 1 – recommendations from the 2017 Coronation Park Drainage Improvements Class EA

The Active Transportation Master Plan (ATMP) included recommendations for sidewalks, on one side, of both Westminster Drive and Woodhaven Park Drive, as shown on Figure 2:

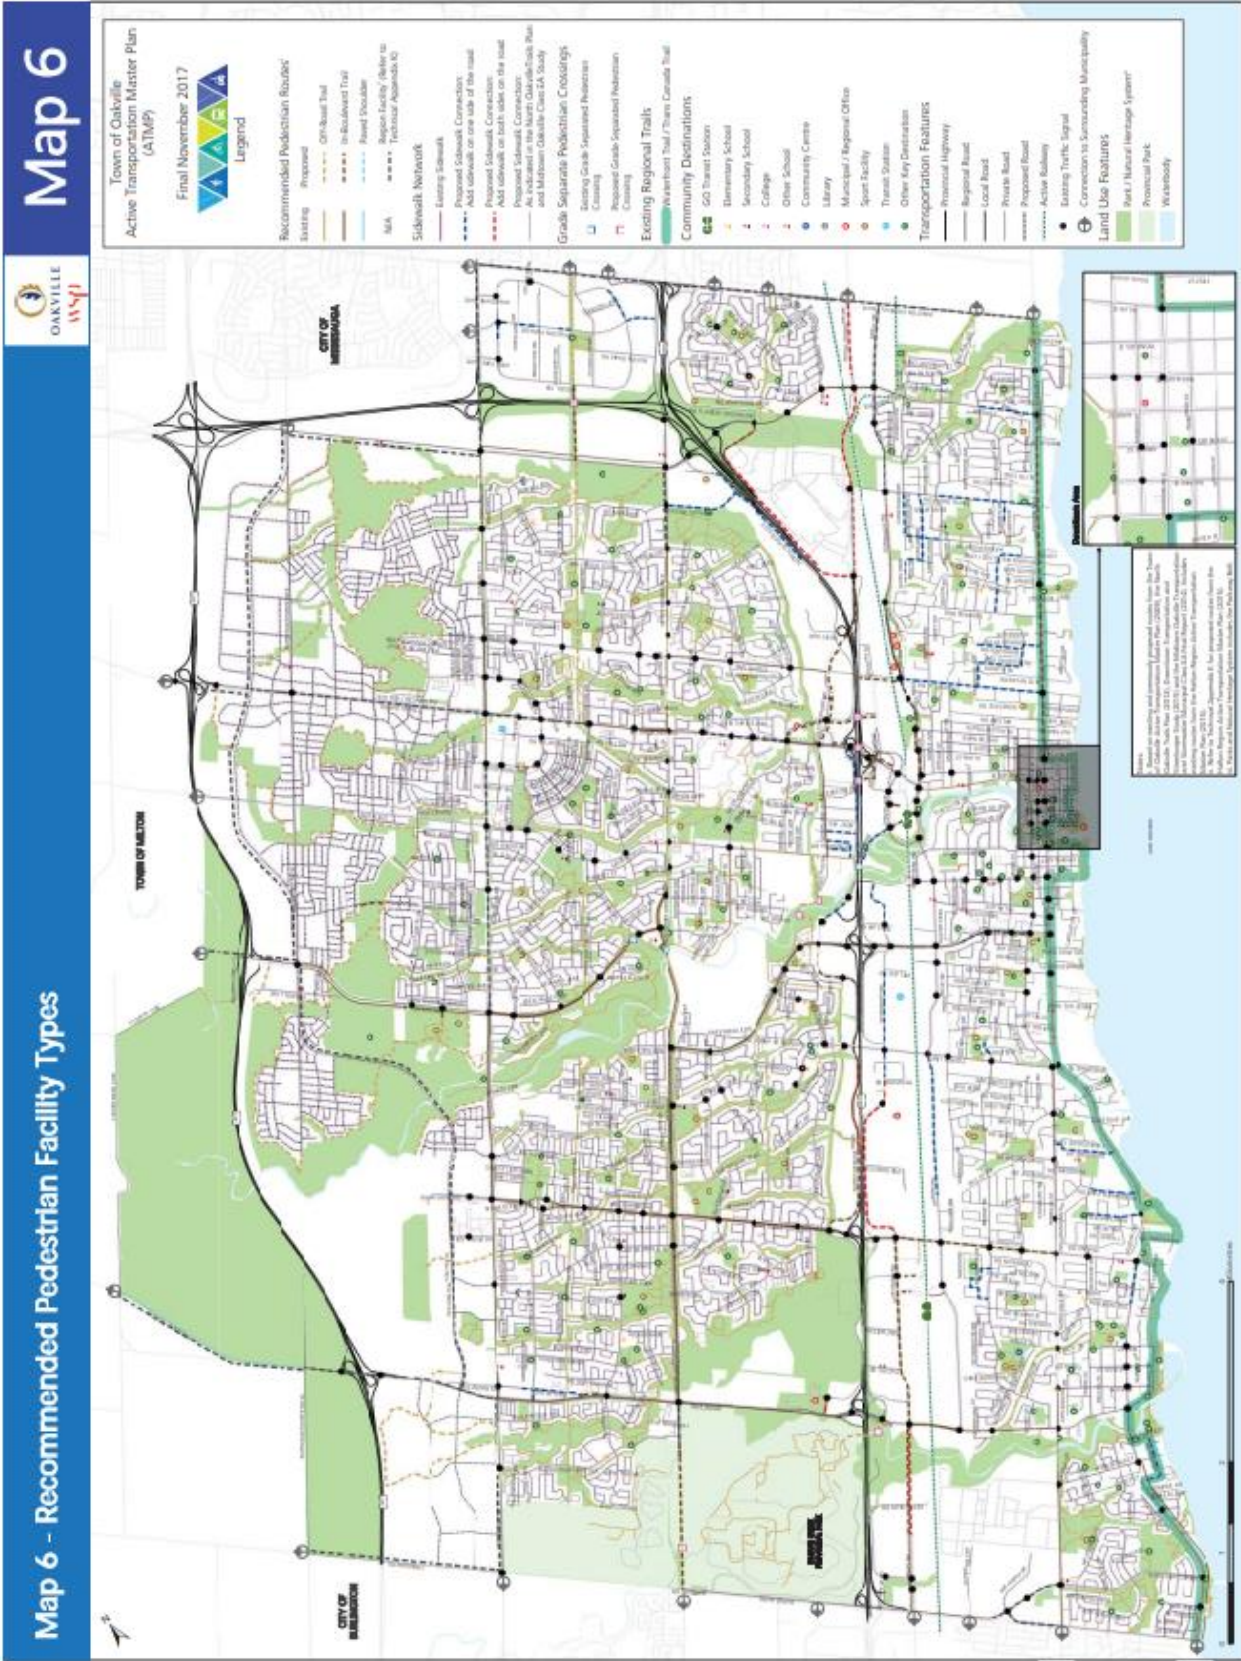

Figure 2 - ATMP map of recommended pedestrian facilities – showing sidewalks recommended for Westminister Drive and Woodhaven Park Drive

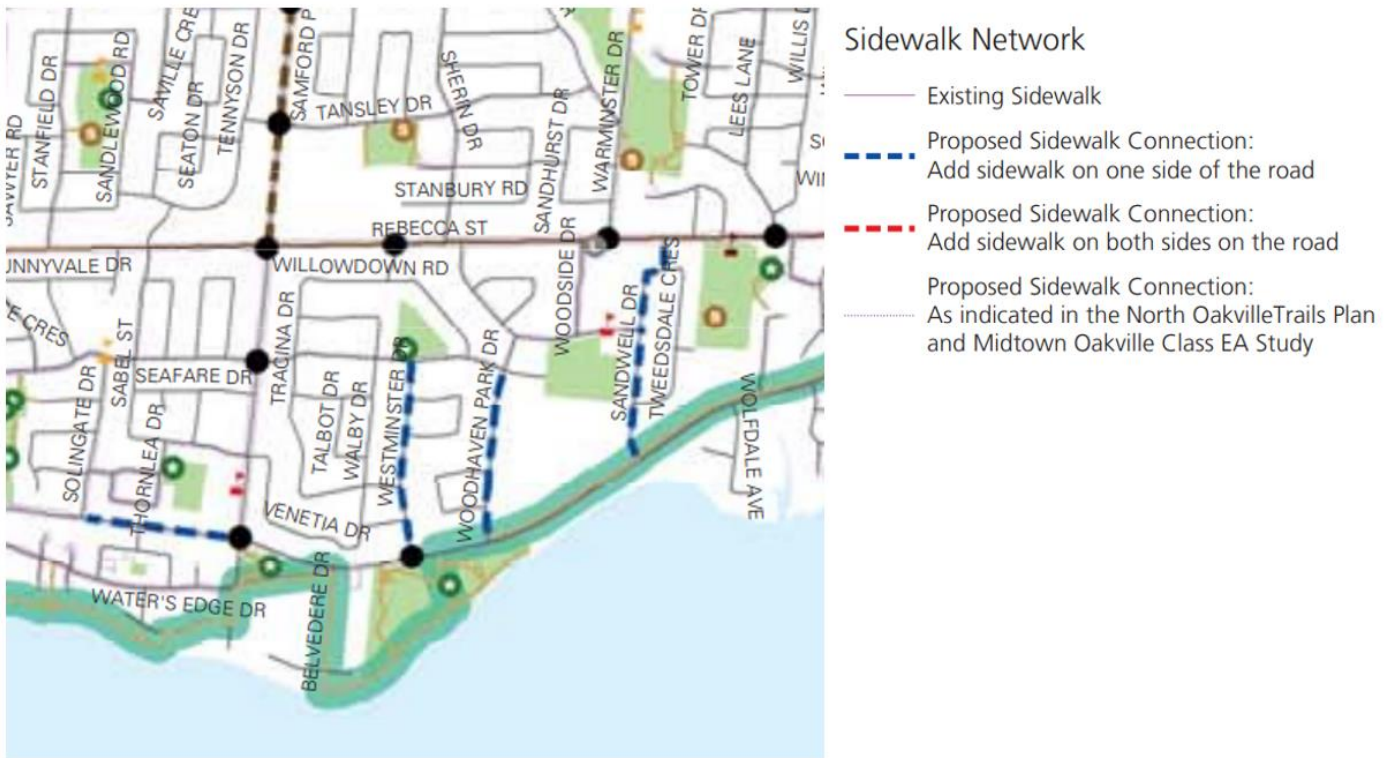

Figure 3 – excerpt from Figure 2, highlighting Westminster Drive and Woodhaven Park Drive
