Re: Four Dwelling Units Per Detached Residential Property

TO: Mayor; Marc Grant; Jeff Knoll

We, the undersigned, being residential Owner Stakeholders in the properties detailed below DO NOT APPROVE the above-mentioned rezoning proposal. The Housing Accelerator Fund is a rush to solve a problem without due consideration to the creation of many others. Let's not be part of a poorly thought out change to our Livable Oakville Plan. We wish to solve our housing problems through long term, thoughtful planning.
