

Memo

To: Accessibility Advisory Committee
From: Andrea Coyne, Manager, Elections, Policy, Print Services
CC: Natasha Coric, Council & Committee Services Coordinator
Date: February 5, 2024
Subject: Oakville Trafalgar Community Centre Facility Tour – May 1, 2024

Comments

A facility tour of the town's Oakville Trafalgar Community Centre (OTCC) is scheduled for members of the Accessibility Advisory Committee (AAC) on Wednesday, May 1st, 2024, at 1:15 p.m.

Led by the town's Capital Projects Manager - Facility Services, Andrea Wood, and the Facility Manager, Eric Beresford, this tour will provide an in depth and behind the scenes tour of the accessibility features of the new community centre, inside and out.

OTCC opened to the community in October 2020 and achieved a Gold rating for accessibility under the [Rick Hansen Foundation Accessibility Certification \(RHFAC\) program](#). The centre was designed to promote and allow for connectivity throughout the site. The facility's exterior path and entrances, wayfinding and universal pool change rooms, accessible washrooms, therapeutic pool, accessible fitness equipment and outdoor rehabilitation equipment were highlighted as the key areas of success. The facility is only one of two community centres in Ontario to receive a Gold rating.

Light refreshments will be provided at the end of the tour. Transportation to and from the centre is available as required, please contact me directly to arrange this.
