

APPENDIX C

Attn: Heritage Department

Re proposals 262 King Street.

I live at [REDACTED] and I can clearly see Mr Maile's house [REDACTED]

I love living in the [REDACTED] of Oakville and I enjoy looking at the other houses when I walk through the neighbourhood. Mr Maile has shown me his plans and renderings for the addition and I have no objection.

February 19, 2024.

A handwritten signature in black ink, consisting of a horizontal line with a large, stylized flourish extending downwards and to the right.

RE: 262 King Street

February 5, 2024

Having reviewed the plans for the proposed addition at 262 King Street, I have no objections to the plans as provided.

Please note my house is located at [REDACTED] which is to the [REDACTED] of the Maile residence. Once the small addition is completed the rendering clearly shows that the addition still leaves a substantial open space between both properties.

Sincerely,

Christine Markus

Re: Heritage Permit Application for 262 King Street

Town of Oakville

To Whom it May Concern,

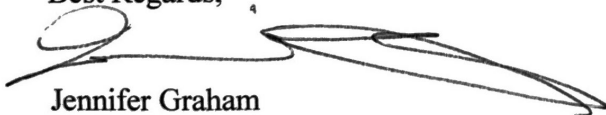

My home is located at [REDACTED] which is directly to the [REDACTED] of the Maile residence at 262 King Street.

I have reviewed the plans for the addition and I have no objections.

For the record, [REDACTED] Maile's and I am in complete support of the work the Maile's are proposing.

I believe by looking at the artist's rendering that it still keeps the same feel as the subject property. In fact, the new rendering looks more like the original structure with a main floor room and windows that were later converted into a garage door. The new proposal restores the look of the home.

Best Regards,

Jennifer Graham
