KEY FACTS:

The following are key points for consideration with respect to this report:

BACKGROUND:

Under the Lieutenant Governor of Ontario's Order in Council 208/2024 as amended, all first-time applicants seeking permission to conduct lottery events are required to be approved by the Council of the municipality in which the event is to be held. Once Council has approved the original application, staff is then authorized to approve all renewals without further referral to Council.

COMMENT/OPTIONS:

Tempus Choral Society has applied for permission to conduct charitable lottery events to continue to provide the benefits of group singing to all ages. They plan to provide free tickets to concerts, support local charities, perform at long term care facilities with a common goal of entertaining others and experiencing the immediacy of live music. Staff has checked the documentation provided by the applicant and found it to comply with the licensing requirements for the Province of Ontario and the Town of Oakville. Staff has reviewed the charity's by-laws, financial statements, mandate and has found it to be in compliance with AGCO and OLG requirements. It

is therefore recommended that Council approve this request to conduct lottery events.
