

Heritage Oakville Advisory Committee

2024 Submissions

- 11th program year - \$120,000 available per year
- Additional funds \$35,340
- 42 project applications were received
- Over \$287,000 requested
- 40 applications are recommended to receive funding.
- Priority restoration projects – structural, windows, cedar roof
- Heritage Grant Program will have provided over \$1,064,000 in funding to assist with more than 255 restoration and conservation projects worth more than \$6 million.

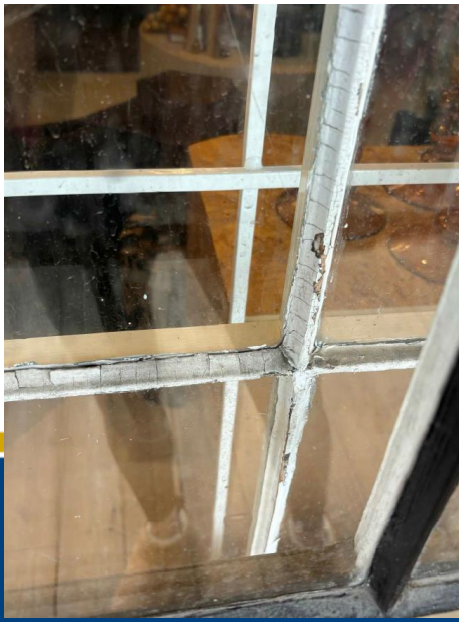

Application Review

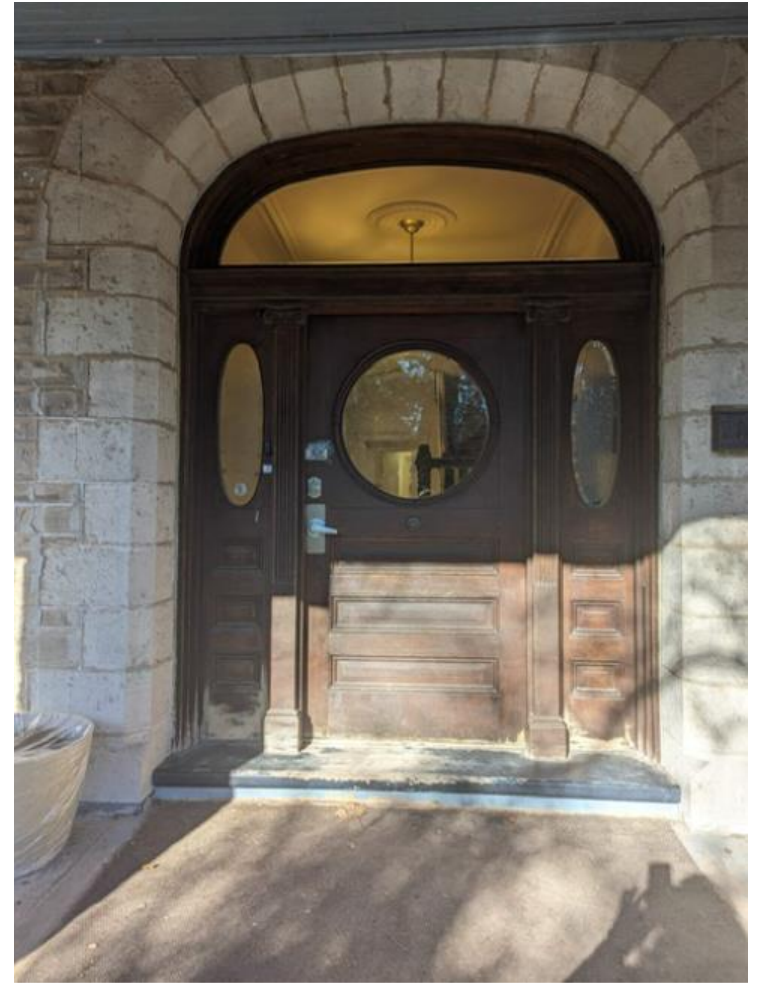

- The Evaluation Working Group met on April 2, 2024
- Funding spread as widely as possible;
- High priority projects include:
 - Structural (foundations);
 - Preservation of the superstructure (wall systems – stucco, wood, interior plaster);
 - Restoration of historic windows, including stained glass
 - CHL features, including fencing and trees
