

Subject: Vote No - Only a No Vote will Do

Mayor, City Councillors and Oakville Civil Employees,

I am writing to you to implore you to vote No on the upcoming proposition on 4 dwellings in one home, as well as No to the 4 story low rise building motion.

Oakville is a thriving community to raise children, and this bill will transform the neighborhood into transient student housing for Sheridan college. This will not solve our housing issues, it will only bring more transient students into a neighborhood that was designed for single family homes.

Thank you,

Mohit
