

Subject: OPA Meeting

Good morning,

I am writing with regard to the OPA meeting for the property at the Northwest corner of Burnhamthorpe Rd. and Neyagawa Blvd. currently owned by ARGO.

As the Executive Director of King's Christian Collegiate, I am sending my support for their development plans and their amendment request. I provide this support based on an in-person meeting with their representatives last month.

I will attend this evening's meeting virtually.

Regards,

John DeBoer
