

Hello,

I would like to express my recommendation regarding the lands at Ford Drive / Sherwood Heights Drive / Kingsway Drive - Land Development OPA1504.03.

I understand there is an application for designating the lands to E2, however I would like to object and suggest that the lands are designated E1 or a retail option.

My first choice would be to leave the land as it is, but I understand this is no longer an option and not protected under the parkway belt.

Regards,
