

Good morning,

I ask you to Vote No to the Special Sheridan College Zoning and 1+3 as a Right motion. It is imperative to dispose of that motion as a solid No. Alternatives that do not include any lands outside of Sheridan College lands and respect the family neighbourhoods surrounding the College should be brought forward after the defeat of Special Zoning and 3+1 motion.

Let's not muddy the waters for Oakville voters. Say No first.

Myra and John Willis
