TOWN OF OAKVILLE

RE: SHERIDAN COLLEGE HOUSING AREA—SPECIAL POLICY AREA

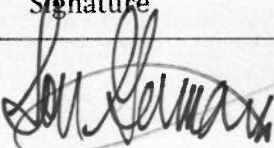

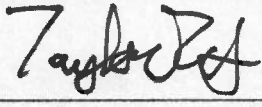

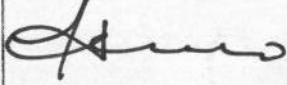

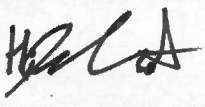

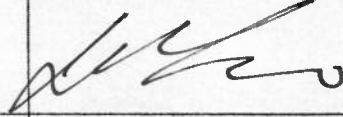

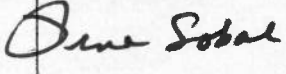

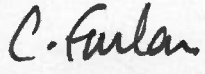

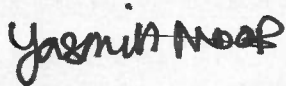

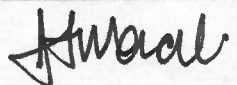

We, the undersigned, being residential Owner Stakeholders in the properties detailed below **DO NOT APPROVE** the above-mentioned rezoning proposal for our neighbourhood. Sheridan College has more than sufficient lands located within it's campus to achieve this very goal without the disruption and destruction of the integrity and aesthetics of our existing, stable single family neighbourhood. Fourplexes and '4 as of Right' homes belong in **planned** neighbourhoods **NOT** being forced upon long time homeowners who purchased their homes under entirely different representations. **Single Family Dwellings should be for families!**

Re: Four Dwelling Units Per Detached Residential Property

TO: Mayor; Marc Grant; Jeff Knoll

We, the undersigned, being residential Owner Stakeholders in the properties detailed below **DO NOT APPROVE** the above-mentioned rezoning proposal. The Housing Accelerator Fund is a rush to solve a problem without due consideration to the creation of many others. Let's not be part of a poorly thought out change to our Livable Oakville Plan. We wish to solve our housing problems through long term, thoughtful planning.
