Dear Sirs:

Re: Application at 75 Navy Street, Oakville

I am the owner of the building at 144 Robinson Street, located directly to the east of 75 Navy Street.

I have been presented with the plans and drawings by the owner of 75 Navy Street in connection with the intention to extend the existing elevator shaft eastward, towards our shared property line. I understand that the setback variance request is to accommodate a deeper elevator cab, necessary for movement of the larger products that will be displayed within the building.

I have reviewed the drawings and have no objection to the request for the minor variance to the current zoning by-law and support this application.

Yours truly,

Cindy Avis
