- This report highlights Oakville Public Library's Q2 2024 Year-to-Date Performance and Measures.
- The quarterly report template was enhanced this year with new metrics to better demonstrate high-level trend analysis across OPL services

### **BACKGROUND:**

The quarterly Performance and Measures Report template was enhanced with new metrics for 2024 to better demonstrate high-level trend analysis across Oakville Public Library (OPL) services.

Throughout the report, a 3-year trend analysis is included where relevant, using 2019, 2023, and 2024 as comparators, as OPL had not yet resumed full library services in 2021 and 2022.
