Midtown Official Plan Amendment

- PROGRESS ON OPA ✓
- LIVABILITY IS AT THE HEART OF A SUCCESSFUL OPA ✓
- OPA MUST EXCEED PROVINCIAL POPULATION REQUIREMENTS ✓
- MIDTOWN MUST BE A DESIRABLE PLACE TO LIVE, WORK AND VISIT ✓
- WATSON REPORT ✓
- ONLY 35% UNITS WITH 2+ BEDROOMS DOESN'T MEET THE HOUSING SUPPLY CRISIS ✘

“STOP THE TOC”

- WeLoveOakville strongly opposes the province’s TOC plan for Midtown.
- Special permissions for one developer to build extreme density is unacceptable.
- The TOC needs to comply with the proposed OPA.
