Subject: [EXTERNAL] Proposed Official Plan Amendment and Zoning Plan Amendment - 2403 and 2417 Lhalsa Gate

To whom it may concern:

Please send me a link to attend virtually on December 9 at 6:30pm the above meeting and notify me of the decision.

My only concern is the noise impact in the concerned area.

I am taking this opportunity to make you aware that the present lights are an issue. They create a lot of light and shine directly into my bedroom thus infringing on my right of enjoyment of my property. I hope this issue will be addressed at the appropriate stage.

Yours truly,

Carole Girard-Troupe
