Attention: Mayor and Members of Council

Dear Mayor Burton and Members of Council:

RE: OPA 326 – By-law 2025-005 Neyagawa Urban Core

We are solicitors for Eno Investments Inc. regarding the redevelopment of its lands on William Halton Parkway, Oakville.

We are writing with respect to OPA 326 and OPA 45. We have had the opportunity to review the staff recommendation report titled, Recommendation Report - Town-initiated Official Plan Amendments, Neyagawa Urban Core Review, File No. 42.15.60 – March 3, 2025, dated February 18, 2025.

We agree with the recommendations set out in the staff report, as they now address many of the concerns raised by our client.

We would like to thank staff for working collaboratively with stakeholders and we look forward to continued collaboration in implementing OPA 326 and OPA 45.

Yours truly,

WeirFoulds LLP
