Subject: [EXTERNAL] Development Proposal: 3056 Neyagawa

Hello,

I'm a resident at 2198 Pond Road and I strongly oppose this development. The surrounding infrastructure cannot support a development of this magnitude.

I'm deeply concerned with this broad trend throughout the GTA. A building of this size and height is far too much and hurts the integrity of the surrounding community.

I cannot attend the meeting in person but please accept this email as my strong feeling of opposition.

Thanks,

Victor
