Subject: [EXTERNAL] Message from Oakville Gymnastics Club re 71 Loyalist Trail Zoning Amendment

Esteemed Members of Council,

Oakville Gymnastics Club is a longtime partner of the Town of Oakville. As a not-for-profit sports club our mission is to provide gymnastics instruction to the Oakville community.

There is a great need for additional gymnastics programming across our Town and we are striving to meet this need by extending our reach into the quickly developing northern area. As a future tenant of 71 Loyalist Trail, we look forward to sharing our love of gymnastics with the families that call Ward 7 their home.

We urge the councillors to do whatever they can to expedite this process.

Oakville Gymnastics Club sincerely appreciates your ongoing support,

Don Holmes
