Secondary School - White Oaks

No Secondary school at North Dundas

Students go to White Oaks

White Oaks Capacity: ~2300

-> already overcrowd from 2022

-> North and West side full of portables

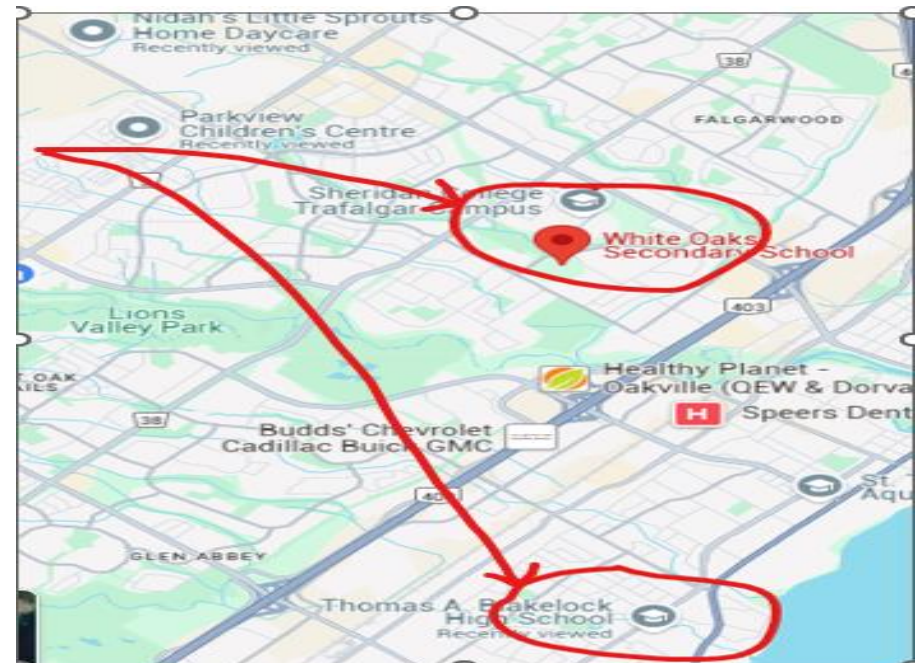

Secondary School - T.A. Blakelock

T.A. Blakelock: ~1300

- > students redirected to T.A. Blakelock
- Far away from home
- > will reach full capacity in 2025-26 School year
- > surpass max portable capacity in 2026~27

This High-Density Condo Community will push secondary schools much beyond their capacity limit, break school planning.

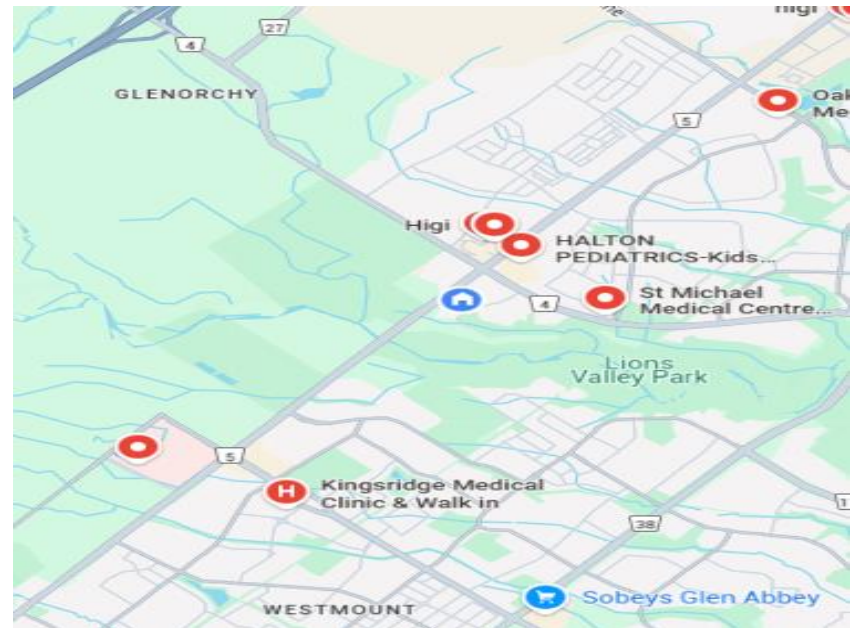

Healthcare

Emergency waiting time is longer and longer

Walk-in clinics gets more crowded.

Harder to find a family doctor in Oakville

This High-density condo community will further strain the already overwhelmed local healthcare resources.
