

Hi Natasha,

I'm simply looking for a method to register my support of a total fireworks ban (with the exception of Town of Oakville organized events). I am not interested in addressing Council.

How shall I go about that?

[REDACTED] South Shell Beach, there has long been a problem of frequent illicit fireworks and bonfires which threaten the woods and forest creatures as well as the homes and condos in our vicinity.

It's important that there be greater action in the form of consequences for those who choose to do so.

I would greatly appreciate a copy of the agenda and date of such discussion.

Thank-you for your assistance with this matter.
