Subject: Z.1308.06, 42.26.04, Ward 6

Good Evening,

My wife (Bin Feng) and I (Craig Wu) of _____ have concerns about the potential re-zoning for the indicated submission Z.1308.06, 42.26.04 and the resultant re-zoning will result in a higher density of residents in the area which in turn will increase the traffic in the surrounding area.

The area is already suffering from increased traffic from recent condominium developments in the area and allowing this re-zoning will only compound the issue further. Please take this into consideration when reviewing the re-zoning application.

Thanks,
Craig & Bin
