Policy statement

The Corporation of the Town of Oakville (Town) will collect stormwater fees to recover the costs of operating, maintaining, repairing, replacing, and upgrading the stormwater system, unless otherwise directed by Council.

Purpose

The purpose of this policy is to provide a framework to ensure a consistent, transparent, efficient, and accountable approach for establishing and managing stormwater fees and charges across Oakville properties that promotes full cost recovery of the stormwater management program. Ongoing review of stormwater costs and fees will occur to ensure the purpose of this policy and related procedure is met.

Scope

This policy applies to all residential and non-residential properties within the Town of Oakville.
