RECOMMENDATION:

1. That the assumption of Registered Plan 20M-1192 be approved; and
2. That By-law 2021-025 a by-law to assume completed public works within Plan 20M-1192 be passed.

KEY FACTS:

The following are key points for consideration with respect to this report:

- All public works being recommended for acceptance through this assumption have been inspected and deemed acceptable.

BACKGROUND:

As a requirement of the subdivision agreement, when all of the obligations of the Owner have been fulfilled, a request may be made to the Town for assumption of the works and streets within the plan of subdivision.

Plan 20M-1192 consists of 26 lots.

The plan was registered on August 24th 2017. Appendix A identifies the location of the plan to be assumed. Appendix B shows the legal plan.

As set out in the subdivision agreement, when the obligations of the Owner have been fulfilled, the developer may request the Town to assume the public elements within the plan of subdivision. The developer has requested assumption which has prompted this report to Council.
