Regional Planning staff has reviewed the above-referenced application to remove the “H” provision as it applies to By-law Number 2014-094 and more specifically referenced to Schedule “A” to By-law Number 2015-020 included with the circulation received February 10, 2015.

Regional Planning staff has no objection to removal of the “H” provision as it applies to Schedule “A” of By-law 2015-020.

Should you require anything further, please do not hesitate to contact myself or Anne Gariscsak at extension 7109.
