**RE: 21 THOMAS STREET
APPLICATION TO CONSTRUCTION AN ADDITION**

Ms. Eigl,

I reside at ■■■ Robinson Street and frequently walk to Lakeside Park. During these walks, I often see the Bakers at 21 Thomas Street.

I have reviewed the plans for their addition into the back garden. I am in full support of the design and I am confident that it will be a handsome addition to the neighbourhood.

Regards,

**Re: 21 THOMAS STREET
APPLICATION TO CONSTRUCTION AN ADDITION**

Dear Ms. Elaine Eigl

I have discussed the proposed addition with the applicants and reviewed the proposed plans. On behalf of myself and my family, we do not feel this addition will impact the neighbourhood in any negative manner. Quite opposite, we believe that the addition will be tastefully detailed and blend into the current property well.

We welcome the proposal as it will allow young people to live in old Oakville. We also feel that Granny suites should be encouraged as they are a sensible way to design for growth and aging of families.

Sincerely,

Anne Stewart
