RECOMMENDATION:

1. That the assumption of Registered Plan 20M-996 be approved.
2. That By-law 2018-027 a by-law to assume public works and streets within Plan 20M-996, be approved.

KEY FACTS:

The following are key points for consideration with respect to this report:

- All public works being accepted by the Town through this assumption have been inspected and deemed acceptable.
- All required works, undertakings and obligations set out in the subdivision agreement have been completed.

BACKGROUND:

As a requirement of the subdivision agreement, when all of the obligations of the Owner have been fulfilled, a request may be made to the Town for assumption of the works and streets within the plan of subdivision.

Plan 20M-996 consists of a total of 60 single detached lots, 16 partial blocks, 1 buffer block and 1 park block. The plan was registered on January 12, 2007. Appendix A identifies the general location of the plan to be assumed. Appendix B is the legal plan.
