Dear Ms. Cockburn:

**RE: Removal of "H" Holding Provision  
Block 382, 20M-1183  
Town of Oakville, Region of Halton  
File: Z.1311.04 (H), Foxcotte Village Estates**

---

Regional Planning staff has reviewed the above noted application to remove the Holding Provision (H1) for the subject lands and advise the following.

Halton Region staff confirms a reservation of 107 SDE has been allocated for the subject lands (Law File: 2018-103) and therefore sufficient water and wastewater services are available to the satisfaction of Halton Region.

A site plan (File Number: S.P. 1311.00 01) has been submitted for the subject lands. Please note, should the site plan be revised to modify the number of proposed residential units, the Town must circulate Halton Region with the revised plan for review and comment.

Based on the above, Halton Region has no objection to the removal of the Holding Provision as it applies to the above referenced lands.

Should you have any questions or require any additional information, please contact me at (905) 825-6000 extension 7109.

Yours truly,

  
Anne Gariscsak  
Planner
