

## **Appendix C – Public Comments**(as of October 2, 2013)

### **Steve Gentili** – June 28, 2013 email

Sending you a quick e-mail regarding the above application. Sorry I'm not a planner but three 8 storey building seem to be over kill for such a small lot of land. Not to mention (current Crystal home owner) it will probably take "Crystal" yearssss to build them (never ending construction zone)! Anyway my two cents.

### **Camilla Cleveland**-July 11, 2013 email

Regarding Z.1430.30

I live at \_\_\_Baronwood Drive and I would like to know where the access for the proposed 3-8 story buildings will be. This is of extreme importance to our narrow road.

Thanking you for your attention to this matter,

### **John Donoghue** – August 17, 2013 email

I wanted to connect with on the above development plan.

I live at \_\_\_Baronwood Drive on the South side of the area covered by the development application. Crystal Homes built my home, and one of the factors I took into consideration when purchasing the property was the scale and density of the housing that was proposed to the North.

Frankly I'm not happy that potentially I may end up with 3 x 8 storey apartment blocks looming over me to the North. If the planned construction does take place it will significantly impact the potential value of my home and my quality of living (presuming I will be overlooked by 100s of condo owners).

Is there anything I can do about this?

We strongly oppose the re-zoning of the lands located at 2333 Khalsa Gate. The reason is that an 8 story building will totally spoil this area. Three 8 story buildings will stand out, thus making this area cluttered. The result will devalue our properties. We moved to Oakville because we wanted the lovely lifestyle offered by this Town. If we wanted clutter, we would have bought in Mississauga. We hope that you will listen to the people by not granting the re-zoning.

### **Carlos Akhilele**

After attending the information session on Thursday 26th September, I would like to formally let the council know of the sentiments of the community. We are against the re-zoning of the lands located at 2333 Khalsa Gate. An 8 story building is out of place with the flow of properties as all the properties around it will be townhouses. There is no transition of property based on this design (i.e from 2/3 story town houses all around to an 8 story condo). A 4 story condo is more in transition with the existing properties in the area.

There is a responsibility in consulting with the existing community as the community grows to make sure the growth fits and both the existing residents and the developers expanding the area. We are not happy with this development.

### **KhaledTawfik**

I KhaledTawfik at \_\_\_\_\_ Baronwood Dr., Oakville, ON \_\_\_\_\_ oppose the rezoning of the lands  
2333 Khalsa Gate

### **Tomasz Kosierb**

I am writing to you to let you know that I strongly oppose the rezoning of the lands 2333 Khalsa Gate. I have purchased my home next to these lands under the assumption that only 3 story building would be build at this site. I feel that 8 story building will spoil the residential appearance of this area.

Regards  
Tomasz Kosierb
