Town of Oakville Memorandum

To: Livable Oakville (Official Plan Review) Council Sub-Committee Meeting

From: Planning Services Department

Date: February 10, 2016

Subject: Five Year Official Plan Review - Public Engagement and Consultation

Update

Public engagement and consultation form an integral part of the Official Plan Review. Planning staff have held a number of events seeking the input and feedback from residents and stakeholders across the town about planning in Oakville in general and on a project specific basis. We've also received invaluable input and ideas from university students which will feed into a future planning study as part of the Official Plan Review.

Below is a listing of public engagement and consultation events that have fed into the Official Plan Review process. The feedback to date has been generally positive and has helped planning staff better understanding of the values residents and stakeholders hold for the town.
