RECOMMENDATION:

That the property at 129 Douglas Avenue be removed from the Oakville Register of Properties of Cultural Heritage Value or Interest.

KEY FACTS:

The following are key points for consideration with respect to this report:

- The subject property is on the Oakville Heritage Register as a listed property.
- It is recommended that the property *not* be designated under the *Ontario Heritage Act* and that the property be removed from the Oakville Heritage Register.
- The subject notice must be dealt with by Council by June 27, 2016.

BACKGROUND:

The subject property is located on the east side of Douglas Avenue, between Lakeshore Road East and Randall Street. A location map for the property is attached as Appendix A. A heritage research report was completed by staff and is attached as Appendix B.

The property was listed on the Oakville Register of Properties of Cultural Heritage Value or Interest (Not Designated) in 2009 when 354 properties were added to the Heritage Register. The property was added as it showed potential cultural heritage value for its c.1903 Four Square style frame house.

The owner has submitted a notice of intention to demolish for all buildings on the property, which was completed on April 28, 2016. In accordance with the *Ontario Heritage Act*, Council has 60 days to consider the request. The 60 day notice period expires on June 27, 2016.

Subject: Notice of Intention to Demolish - 129 Douglas Avenue

This Notice of Intention to Demolish was considered by the Heritage Oakville Advisory Committee on May 24, 2016. The committee supported the removal of the property from the Oakville Heritage Register.

COMMENT/OPTIONS:

When a notice of intention to demolish is submitted for a listed property, Heritage Planning staff complete research to determine the architectural, historical and contextual merits of the property. Through this process, the property is evaluated to determine if it is worthy of designation under the *Ontario Heritage Act*. If the property meets criteria outlined in Ontario Regulation 9/06 and is considered to merit designation, a recommendation can be made to Heritage Oakville and to Council that a notice of intention to designate be issued for the property. If Council supports a recommendation to designate, Council must move that a notice of intention to designate be issued within 60 days of the notice of intention to demolish being submitted to the Town.

If the staff investigation of the property does not provide sufficient evidence that the property merits designation, a recommendation can be made to remove the property from the Oakville Heritage Register. If Council supports the staff recommendation and does not issue a notice of intention to designate the property within the 60 days, the property is removed from the Oakville Heritage Register and the owners may then proceed with applying for demolition.

A heritage research report has been completed by staff to evaluate the property's heritage value according to Ontario Regulation 9/06. Based on historical research and physical examinations of the property, the property is considered to have minimal heritage value for its modified c.1910 Four Square residence and detached frame garage. In terms of historical associations, the property is considered to have some heritage value for its association with the Brantwood subdivision but no significant historical connections were discovered. Contextually, the property is historically and functionally linked to the local area but is not considered to be a significant landmark within the community.

Based on staff's review of 129 Douglas Avenue, the property is not considered to have enough significant heritage value to merit designation under Part IV of the *Ontario Heritage Act*. It is therefore recommended that the property be removed from the Oakville Heritage Register.
