Re: Item 4 – Public Meeting Report - Official Plan Amendment and Zoning By-law
Amendment - Transmetro Limited - 358 Reynolds Street - File Nos.: OPA.1613.63
and Z.1613.63

Subject: development 358 Reynolds St.

To Whom It May Concern,

I am strongly opposed to this proposed development for the following reasons:

1. compromised property values
2. setting precedent for new building
3. violation of low-density residential zoning
4. increased noise
5. traffic congestion
6. potential for crime
7. pollution

I would like to take part in this evening's meeting.
