Hello Kate

We enjoy the quietness of the neighbourhood, especially as the Woodridge Parklet is directly across from us. We are very upset to learn about the application to build three houses on this property, as these will not match the size of the adjacent houses in the area. Also, the natural beauty will be destroyed by cutting down the mature trees currently growing behind the parklet. It will cause overcrowding on our street, making it unsafe for the young families who frequently use this parklet. It will also drop the value of the properties in the area. We do not have enough street parking as it is, and having three more houses will only add to the problem. Any development should be in keeping with the rest of the neighbourhood, and three houses on Woodridge Way definitely do not fit these conditions.

Yours truly,
JAVED QAISAR
Woodridge Way
