**OR THROUGH TOWN STANDARDS**

**Town File No.'s: Z. 1317.04 & 15003/1317**  
**Draft Plan Dated**  
**on May 16, 2016**

This approval applies to the draft plan of subdivision (24T-15003 prepared by Korsiak Urban Planning dated May 16, 2016 illustrating 91 blocks) The conditions that will be incorporated into the Subdivision Agreement are as follows:

<b>CONDITIONS TO BE INSERTED INTO SUBDIVISION AGREEMENTS</b>		<b><i>CLEARANCE AGENCY</i></b>
<b>(Town and/or Regional Municipality of Halton)</b>		
1.	The Owner acknowledges that the Town may require <b>redline revisions</b> to the draft plan to ensure property alignment with existing or proposed lots, blocks, streets, and/or facilities on lands adjacent to this draft plan.	OAK (PS)
2.	That the Owner agrees to submit a revised <b>Planning Statistics Spreadsheet</b> to the satisfaction of Planning Services based upon the registration of M-Plans.	OAK (PS)
3.	That the Owner acknowledges that any eligible <b>Development Charge</b> reimbursements will be in accordance with the Town's Development Charge By-law. The Owner agrees to submit progress reports for any <b>Development Charge reimbursable</b> items identified to be reimbursed through Development Charge credits, whether repaid through Development Charge credits or other means, in a form satisfactory to the Town's Finance Department. The Owner further agrees to abide by the Town's requirements for matters dealing with Development Charge credits.	OAK (F)
4.	The Owner acknowledges that <b>work completed on behalf of the Town</b> shall not exceed the estimated values contained within the subdivision agreement and that the Town will not accept any further progress certificates relating to the Schedule 'K' works and will not consider the payment of said progress certificates received after the assumption of the subdivision by the Town. The Owner further acknowledges that work done on behalf of the Town may not be reimbursed until funded in the Town's approved capital budget.	OAK (DE)(F)
5.	The Owner agrees to provide notice to prospective purchasers upon the completion and approval of the <b>Composite Utility Plan</b> showing the location of all community facilities (community mail boxes, bus shelter and stops, street trees, sidewalks, street light poles, hydrants, cable boxes, transformers or any other above grade facilities) to the satisfaction of staff and that this plan be displayed in the sales office.	OAK (DE)
6.	That the Owner's engineer provide certification that all <b>Erosion and Sediment</b>	OAK (DE)

**Controls** are in a state of good repair and Stormwater outfalls are operational to the satisfaction of the Development Engineering Department prior to building permit issuance.

7. That the Owner agrees to implement their applicable **Minutes of Settlement / Agreements** i.e North Oakville Master Parkland Agreement) with the Town of Oakville to the satisfaction of the Town. OAK (PS, POS)(DE)( F) (CH)
8. That the Owner agrees to construct **stormwater management facilities** according to the approved plans and reports for this subdivision. Additionally the Owner agrees to monitor and maintain the facilities until they are accepted by the town. The Owner shall provide a monitoring procedure and schedule for all stormwater management facilities / works immediately after all stormwater management facilities / works become operational. All monitoring shall be in accordance with the requirements of the approved EIR / FSS, Development Engineering Procedures and Guidelines Manual and North Oakville Monitoring Guidelines. Monitoring and maintenance is to be undertaken by the Owner for a minimum period of 2 years once all stormwater management works become operational and stabilized or at the Town's discretion for a minimum period of 2 years following construction of the majority of the contributing drainage area in accordance with the approved Operations Maintenance and Monitoring Program. Should the monitoring results fail to demonstrate to the satisfaction of the Town of Oakville, acting reasonably, that the performance of the stormwater management facilities / works is in accordance with acceptable engineering practices, the Owner shall take immediate remedial action. OAK (DE)
9. That storm sewerage, lot grading and street grading must be to the satisfaction of the Development Engineering Department, in accordance with the Development Engineering Procedures and Guidelines Manual. OAK (DE)
10. The Owner agrees to pay for **electricity supplied to light the streets** in the development until such time as the first homeowners take possession. This will include the supply of power to the street lights, the commodity cost, transmission and independent electricity marketing operator charges, distribution charges and administration fees, details of which will be outlined in the subdivision agreement. Lighting shall conform to the current Town 'LED' requirements. OAK (DE)
11. The Owner shall agree to **deposit mylars and digital discs** (.dwg file format) of the registered plan of subdivision to the satisfaction of the Town. OAK (DE)
12. That the Owner agrees to pay for and install all required **temporary signage** as per the approved Traffic and Parking Management Plan prior to the issuance of any building permits and agrees to ensure that these temporary signs are maintained throughout the construction phase or until the permanent signage is installed. OAK (DE)
13. That the Owner agrees to pay for and install all **permanent signage** within six (6) months of the first building occupancy as per the approved Traffic and Parking Management Plan. In the event that the Owner fails to install the permanent signage in the required timeframe the Town may carry out the work on behalf of the Owner, and will charge the Owner a 100% administration surcharge for all costs incurred by the Town in carrying out this work OAK (DE)

14. That the Owner shall place **public and educational signage** within the stormwater management Blocks to identify the general operation of the stormwater management facilities and list public restrictions for recreational use all to the satisfaction of the Engineering and Construction Department. OAK (DE)
15. That the Owner agrees within the subdivision agreement to deliver to the Town the following materials to accommodate **PSAB requirements** (hereinafter in this section referred to as the “Materials”) within the times herein provided: OAK (DE)
  - a) Prior to registration of the Plan, a table in form and content acceptable to the Town and certified accurate by an Ontario Land Surveyor, setting out the area of all lands to be dedicated to the Town pursuant to this agreement, including rights of way (herein after referred to as the “Dedicated Lands”);
  - b) Prior to acceptance of Maintenance, a table in form and content acceptable to the Town, and certified by the Owner’s Engineer, setting out all materials used in the Town’s Work, the dates of their respective installation, together with certification of their fair market value at installation; and
  - c) Prior to assumption of the Plan, updated certification by the aforementioned Ontario Land Surveyor, Owner’s Engineer or Appraiser as applicable, of the Materials and their current fair market value in form and content acceptable to the Town, together with certification in the manner and by the persons set out herein of any works to be assumed by the Town and not previously certified.
16. That the Owner agrees that all **roadways** are to be designed to Town of Oakville standards and partial roads within the draft plans are not permitted, unless other suitable arrangements are made with the Director of Development Engineering. OAK (DE)
17. In the event that required subdivision land use and **notice signage** becomes damaged and/or missing from their original approved locations, the Town may re-install signage on the Owner’s behalf and the Owner shall reimburse the Town for such works. OAK (DE)
18. That the Owner satisfies the **telecommunications** provider with respect to their land requirements and agrees to permit all electrical and telecommunication providers who have signed the Town’s access agreement to locate on the roads within the plan and that the Owner allow these services to connect to the buildings, all to the satisfaction of the Town. OAK (DE)
19. That the Owner shall provide in each of the sales offices a **large coloured map**, not less than 1.5 metres by 2 metres, of the approved land use plans to date and/or where applicable, the land use plans approved in the Official Plan for the overall community together with a copy of the Town of Oakville Official Plan and a prominent note indicating that further information can be obtained from the Oakville Planning Services Department. OAK (DE)
20. a) That the Owner acknowledges that during the active construction process it OAK (DE)

is anticipated that **sediment accumulation** in the stormwater management pond will occur at an above average rate compared to the rate for a stabilised condition. Based on this assumption the Owner agrees to monitor the sediment accumulation level and clean the pond periodically to ensure its operational efficiency is maintained. Prior to assumption a condition and monitoring report is to be prepared by the Owner's Engineer which is to outline the monitored performance of the pond as documented over time and the current state of sediment level within the pond. The Engineers report will make recommendations with respect to any maintenance required at the time of the requested assumption and itemise such items which the Owner will be required to remediate prior to the assumption.

- b) That the Owner agrees, at the time of the requested assumption, to provide an up-to-date **bathymetric survey** to determine the sediment level within the storm water management pond. If the accumulated sediment level is less than 25% of the design sediment storage volume within the fore-bay and/or main bay area of the pond, the Owner will provide a cash-in-lieu payment to the town for future clean-out based on an amount to be determined. Notwithstanding the above, should the sediment accumulation exceed 25% of the design sediment storage volume, the Owner agrees to clean out the pond.
  - c) That the Owner agrees that the Town shall retain **securities for any Stormwater Management Facility** for at least a minimum two year maintenance period after the construction and stabilization of the stormwater management pond, or at the Town's discretion, for a minimum 2 year period following the assumption the majority of contributing development plans. The value of this security will be determined by the Town based on the size of any pond as well as the number of contributing plans.
21. That the Owner designs, constructs and has in operation all necessary **flood control structures and stormwater outfall structures** prior to the issuance of any building permits to the satisfaction of the Conservation Halton and Development Engineering Department and Parks and Open Space Department. OAK (DE, POS)  
CH

- a) "Purchasers of Blocks 28, 30, 26, 37, 36, 51, 53, 54, 55 are advised that their properties abut lands which may be developed for **future mixed commercial and residential uses up to 5 storeys in height**"
  - b) Purchasers of Blocks 17, 25, 27, 29, 32, 38 are advised that their properties abut lands which may be developed for **future residential development up to 12 storeys in height**"
  - c) "Purchasers and/or tenants of lots or units in Blocks 1, 2, 5, 12, 17, 25, 26, 27, 28, 38, 39, 47 are advised that they abut a **Walkway/Vista Block** which will allow for public access."
  - d) "Purchasers and/or tenants of lots or units adjacent to or near the Village Square, Neighbourhood Park or any other parkland and open space are advised that these parks, in whole or in part, may be vegetated to create a natural setting. Be advised that, in these areas, the Town may not carry out **routine maintenance** such as grass and weed cutting."
  - e) "Purchasers and/or tenants of lots or units adjacent to or near the Village Square, Neighbourhood Park and servicing / walkway block abutting Block 74 are advised that these **open space areas** will be used for general active and passive public recreation and leisure uses, including but not limited to walkways (lit and unlit), bikeways, playgrounds, trails, sports field (lit or unlit), splash pad, visitor parking, and/or multi-use courts. In addition to daytime use, park facilities may be used in the evenings and on weekends."
  - f) "Purchasers and/or tenants of Blocks 1, 2, 5, 12, 17, 25, 26, 27, 28, 38, 39, 47 are advised that a **walkway** may abut the subject property consistent with the North Oakville East Trails Plan. During normal use of, and activity on, the walkway, some noise could occasionally be generated that may potentially interfere with outdoor activities on the subject property."
  - g) "Purchasers and/or tenants of Blocks 1, 2, 5, 12, 17, 31, 38, 39, 47 are advised that the property is **regulated by Conservation Halton**. Conservation Halton must be contacted prior to any development occurring on the property."
  - h) "Purchasers and/or tenants for all lots adjacent to the **Natural Heritage System**, a statement which advises that the Town reserves the right to install a public trail connection within these blocks. Further purchasers are advised that individual gate access to these blocks from their property is prohibited. In addition, dumping of yard waste or other household materials is also prohibited."
  - i) "Purchasers are advised that the Town of Oakville's current **street tree**

**planting standards**, which are subject to change, are intended to have an average of one tree for every 12 metres of frontage to be considered for planting in order to accommodate future tree growth. This means that not every house is intended to receive a tree. Purchasers are also advised that the ability to accommodate the planting of a street tree within the public road allowance will be influenced by housing form, development setbacks, utilities, driveway width and location. The Town reserves the right, in its sole discretion, to determine whether a street tree will be planted at any particular location within the subdivision particularly on narrow building lots.”

- j) “Purchasers are advised that **winter maintenance** and snow plowing from public streets and laneways will be done in accordance with the Council approved protocol and policies for snow removal.”
- k) “Purchasers and/or tenants are advised that the homeowner’s builder is responsible for the timing and coordination of **rectifying lot grading** matters which occur prior to assumption.”
- l) “Purchasers and/or tenants are advised that prior to the placement of any **structures in side and rear yards**, the Zoning By-law should be reviewed to determine compliance and that a Site Alteration Permit may be required prior to proceeding to do any site work.”
- m) “Purchasers and/or tenants are advised that **private landscaping** is not permitted to encroach within the Town’s road allowance, public open space or Natural Heritage System area. Any unauthorised encroachments are to be removed by the homeowner prior to Assumption.”
- n) “Purchasers and/or tenants are advised that an overall grade control plan has been approved for this Plan and further some lots will incorporate the drainage of adjoining lots through the design of **swales and rear lot catch basins**.”
- o) “Purchasers are advised that any **unauthorized alteration of the established lot grading** and drainage patterns by the homeowner may result in negative drainage impacts to their lot and/or adjoining lots.”
- p) “Purchasers are advised that the following street(s) in the area may be designated as **interim or permanent bus routes**, and that bus stops and shelters may be installed along the street(s): Streets xx”
- q) “Purchasers and/or tenants are advised that home/business mail delivery will be from designated **Community Mail Boxes** and that purchasers are to be notified by the developer/owner regarding the exact centralized mail box locations prior to the closing of any home sales. “
- r) “Purchasers are advised that the **schools** on sites designated for the Halton District School Board or Halton Catholic District School Board in the community are not guaranteed. Attendance in the area is not guaranteed. Pupils may be accommodated in temporary facilities and/or be directed to schools outside of the area.”

- s) “Purchasers are advised that **school buses** will not enter a cul-de-sac and pick-up points will be generally located on through streets convenient to the Halton Student Transportation Services. Additional pick-up points will not be located within the subdivision until major construction activity has been completed.”
- t) “Purchasers are advised that Village Squares will contain **children’s play equipment** that may generate noise or nuisance to those homebuyers who purchase adjacent to parks and open space. Village Squares may also contain community mail boxes. Community Parks may also include the provisions for sports field lighting that may generate noise or nuisance to homebuyers who purchase adjacent to community parks.”
- u) “Purchasers are advised that Town **Stormwater Management Ponds** will be subject to scheduled maintenance and periodic cleanout in accordance with Town requirements.”
- v) “Purchasers are advised that **driveway entrance widenings** or modifications will not be permitted where they impact on the availability of on-street parking space. Property Owners must take note of the available parking space on their own private lot and purchase homes with knowledge that additional space for more personal / family vehicles may be limited or unavailable.”
- w) “Purchasers of lots/units abutting, fronting and adjacent to the school site designated for the Halton District School Board are advised that **temporary facilities/portables** may be sited on the school site in order to accommodate pupils in excess of the school building capacity.”
- x) “Purchasers are advised that **Catholic school accommodation** may not be available for students residing in this area, and that you are notified that students may be accommodated in temporary facilities and/or bussed to existing facilities outside the area. Halton Catholic District School Board will designate pick up points for the children to meet the bus on roads presently in existence or other pick up areas convenient to the Board.”
- y) “Purchasers are advised that North Oakville is founded on the principle of public transit as a priority and as such buses with varying frequencies of services are expected to operate throughout the neighbourhoods. Residents are expected to accept bus operations, with their associated impacts as a reality along roadways of this community. . Transit infrastructure including **bus stops and bus shelters** may be located on municipal streets within subdivisions either as temporary and/or permanent features.”
- z) “Purchasers are advised that Public roads are expected to accommodate pedestrians, cyclists and vehicles of all types. Temporary and/or permanent **public parking along municipal roads** except laneways adjacent to any property can be made available for on-street parking by the public and is not reserved for use by the property Owner. This will be most evident in close proximity to parks, schools, laneways and

commercial or mixed use districts where visitors to these locations will be encouraged to park on-street in accordance with municipal requirements as on-site parking space will be minimal or non-existent.

- aa) “Purchasers are advised that there is the potential for high water pressures within the subdivision”

In cases where offers of purchase and sale have already been executed, the Owner shall send a letter to all purchasers which includes the above statements.
