Dear Mr. Biggar:

**RE: Regional Comments on Proposed Official Plan Amendments (OPAs) –
Urban Structure Review (File No. 42.15.52)**

Thank you for the opportunity to provide comments on the amendments to the Livable Oakville Plan, the North Oakville West Secondary Plan, and the North Oakville East Secondary Plan which result from the Town's Urban Structure Review. The amendments identify a Town-wide urban structure and establish how changes to this urban structure would be considered.

Regional staff have reviewed the proposed amendments and are satisfied that they conform to the Regional Official Plan and the Growth Plan, 2017.

I trust these comments are of assistance to you. Should you have any questions or require additional information, please contact me at extension 7391.

Sincerely,

A handwritten signature in black ink that reads "Owen McCabe".
